Such a petition may be filed only within the 30-day period beginning on the date that notice of such final determination was received by the State. The clerk of the court shall transmit a copy of the petition to the Commissioner or to any officer designated by the Commissioner for that purpose. In accordance with section 2112 of title 28, the Commissioner shall file with the court a record of the proceeding on which the Commissioner based the determination being appealed by the State. Until a record is so filed, the Commissioner may modify or set aside any determination made under such proceedings.

If, in an action under this subsection to review a final determination of the Commissioner under section 721(b) of this title or subsection (c) of this section, the petitioner or the Commissioner applies to the court for leave to have additional oral submissions or written presentations made respecting such determination, the court may, for good cause shown, order the Commissioner to provide within 30 days an additional opportunity to make such submissions and presentations. Within such period, the Commissioner may revise any findings of fact, modify or set aside the determination being reviewed, or make a new determination by reason of the additional submissions and presentations, and shall file such modified or new determination, and any revised findings of fact, with the return of such submissions and presentations. The court shall thereafter review such new or modified determination.

(ii) except as otherwise provided in subparagraph (B), to review such determination in accordance with chapter 7 of title 5.

**(B) Substantial evidence**

Section 706 of title 5 shall apply to the review of any determination under this subsection, except that the standard for review prescribed by paragraph (2)(E) of such section 706 shall not apply and the court shall hold unlawful and set aside such determination if the court finds that the determina-

tion is not supported by substantial evidence in the record of the proceeding submitted pursuant to paragraph (1), as supplemented by any additional submissions and presentations filed under paragraph (2).

### § 730. State allotments

#### (a) Computation; additional amount; minimum amount; adjustments

(1) Subject to the provisions of subsection (c) of this section, for each fiscal year beginning before October 1, 1978, each State shall be entitled to an allotment of an amount bearing the same ratio to the amount authorized to be appropriated under section 720(b)(1) of this title for allotment under this section as the product of—

- (A) the population of the State; and
- (B) the square of its allotment percentage,

bears to the sum of the corresponding products for all the States.

(2)(A) For each fiscal year beginning on or after October 1, 1978, each State shall be entitled to an allotment in an amount equal to the amount such State received under paragraph (1) for the fiscal year ending September 30, 1978, and an additional amount determined pursuant to subparagraph (B) of this paragraph.

(B) For each fiscal year beginning on or after October 1, 1978, each State shall be entitled to an allotment, from any amount authorized to be appropriated for such fiscal year under section 720(b)(1) of this title for allotment under this section in excess of the amount appropriated under section 720(b)(1)(A)<sup>1</sup> of this title for the fiscal year ending September 30, 1978, in an amount equal to the sum of—

- (i) an amount bearing the same ratio to 50 percent of such excess amount as the product of the population of the State and the square of its allotment percentage bears to the sum of the corresponding products for all the States; and
- (ii) an amount bearing the same ratio to 50 percent of such excess amount as the product of the population of the State and its allotment percentage bears to the sum of the corresponding products for all the States.

(3) The sum of the payment to any State (other than Guam, American Samoa, the Virgin Islands, and the Commonwealth of the Northern Mariana Islands) under this subsection for any fiscal year which is less than  $\frac{1}{3}$  of 1 percent of the amount appropriated under section 720(b)(1) of this title, or \$3,000,000, whichever is greater, shall be increased to that amount, the total of the increases thereby required being derived by proportionately reducing the allotment to each of the remaining such States under this subsection, but with such adjustments as may be necessary to prevent the sum of the allotments

made under this subsection to any such remaining State from being thereby reduced to less than that amount.

#### (b) Unused funds; redistribution; increase in amount

(1) Not later than 45 days prior to the end of the fiscal year, the Commissioner shall determine, after reasonable opportunity for the submission to the Commissioner of comments by the State agency administering or supervising the program established under this subchapter, that any payment of an allotment to a State under section 731(a) of this title for any fiscal year will not be utilized by such State in carrying out the purposes of this subchapter.

(2) As soon as practicable but not later than the end of the fiscal year, the Commissioner shall make such amount available for carrying out the purposes of this subchapter to one or more other States to the extent the Commissioner determines such other State will be able to use such additional amount during that fiscal year or the subsequent fiscal year for carrying out such purposes. The Commissioner shall make such amount available only if such other State will be able to make sufficient payments from non-Federal sources to pay for the non-Federal share of the cost of vocational rehabilitation services under the State plan for the fiscal year for which the amount was appropriated.

(3) For the purposes of this part, any amount made available to a State for any fiscal year pursuant to this subsection shall be regarded as an increase of such State's allotment (as determined under the preceding provisions of this section) for such year.

#### (c) Funds for American Indian vocational rehabilitation services

(1) For fiscal year 1987 and for each subsequent fiscal year, the Commissioner shall reserve from the amount appropriated under section 720(b)(1) of this title for allotment under this section a sum, determined under paragraph (2), to carry out the purposes of part C of this subchapter.

(2) The sum referred to in paragraph (1) shall be, as determined by the Secretary—
