

(f) Additional requirements by corporation for protection of interests of plan participants, beneficiaries and corporation; approval by corporation of transfer of assets or liabilities to single-employer plan from plan in reorganization; covered transfers in connection with termination

(1) The corporation may prescribe by regulation such additional requirements with respect to the transfer of assets or liabilities as may be necessary to protect the interests of plan participants and beneficiaries and the corporation.

(2) Except as otherwise determined by the corporation, a transfer of assets or liabilities to a single-employer plan from a plan in reorganization under section 1421 of this title is not effective unless the corporation approves such transfer.

(3) No transfer to which this section applies, in connection with a termination described in section 1341a(a)(2) of this title shall be effective unless the transfer meets such requirements as may be established by the corporation to prevent an increase in the risk of loss to the corporation.

§ 1413. Partition

(a) Authority of corporation

The corporation may order the partition of a multiemployer plan in accordance with this section.

(b) Authority of plan sponsor upon application to corporation for partition order; procedures applicable to corporation

A plan sponsor may apply to the corporation for an order partitioning a plan. The corporation may not order the partition of a plan except upon notice to the plan sponsor and the participants and beneficiaries whose vested benefits will be affected by the partition of the plan, and upon finding that—

(1) a substantial reduction in the amount of aggregate contributions under the plan has resulted or will result from a case or proceeding under title 11 with respect to an employer;

(2) the plan is likely to become insolvent;

(3) contributions will have to be increased significantly in reorganization to meet the minimum contribution requirement and prevent insolvency; and

(4) partition would significantly reduce the likelihood that the plan will become insolvent.

(c) Authority of corporation notwithstanding pendency of partition proceeding

The corporation may order the partition of a plan notwithstanding the pendency of a proceeding described in subsection (b)(1) of this section.

(d) Scope of partition order

The corporation's partition order shall provide for a transfer of no more than the nonforfeitable benefits directly attributable to service with the employer referred to in subsection (b)(1) of this section and an equitable share of assets.

(e) Nature of plan created by partition

The plan created by the partition is—

(1) a successor plan to which section 1322a of this title applies, and

(2) a terminated multiemployer plan to which section 1341a(d) of this title applies, with respect to which only the employer described in subsection (b)(1) of this section has withdrawal liability, and to which section 1368 of this title applies.

(f) Authority of corporation to obtain decree partitioning plan and appointing trustee for terminated portion of partitioned plan

The corporation may proceed under section 1342(c) through (h) of this title for a decree partitioning a plan and appointing a trustee for the terminated portion of a partitioned plan. The court may order the partition of a plan upon making the findings described in subsection (b)(1) through (4) of this section, and subject to the conditions set forth in subsections (c) through (e) of this section.

§ 1414. Asset transfer rules

(a) Applicability and scope

A transfer of assets from a multiemployer plan to another plan shall comply with asset-transfer rules which shall be adopted by the multiemployer plan and which—

(1) do not unreasonably restrict the transfer of plan assets in connection with the transfer of plan liabilities, and

(2) operate and are applied uniformly with respect to each proposed transfer, except that the rules may provide for reasonable variations taking into account the potential financial impact of a proposed transfer on the multiemployer plan.

Plan rules authorizing asset transfers consistent with the requirements of section 1412(c)(3) of this title shall be considered to satisfy the requirements of this subsection.

(b) Exemption of de minimis transfers

The corporation shall prescribe regulations which exempt de minimis transfers of assets from the requirements of this part.

(c) Written reciprocity agreements

This part shall not apply to transfers of assets pursuant to written reciprocity agreements, except to the extent provided in regulations prescribed by the corporation.

§ 1415. Transfers pursuant to change in bargaining representative

(a) Authority to transfer from old plan to new plan pursuant to employee participation in another multiemployer plan after certified change of representative

In any case in which an employer has completely or partially withdrawn from a multiemployer plan (hereafter in this section referred to as the "old plan") as a result of a certified

change of collective bargaining representative occurring after September 25, 1980, if participants of the old plan who are employed by the employer will, as a result of that change, participate in another multiemployer plan (hereafter in this section referred to as the “new plan”), the old plan shall transfer assets and liabilities to the new plan in accordance with this section.

(b) Notification by employer of plan sponsor of old plan; notification by plan sponsor of old plan of employer and plan sponsor of new plan; appeal by new plan to prevent transfer; further proceedings

(1) The employer shall notify the plan sponsor of the old plan of a change in multiemployer plan participation described in subsection (a) of this section no later than 30 days after the employer determines that the change will occur.

(2) The plan sponsor of the old plan shall—

(A) notify the employer of—

(i) the amount of the employer’s withdrawal liability determined under part 1 of this subtitle with respect to the withdrawal,

(ii) the old plan’s intent to transfer to the new plan the nonforfeitable benefits of the employees who are no longer working in covered service under the old plan as a result of the change of bargaining representative, and

(iii) the amount of assets and liabilities which are to be transferred to the new plan, and

(B) notify the plan sponsor of the new plan of the benefits, assets, and liabilities which will be transferred to the new plan.

(3) Within 60 days after receipt of the notice described in paragraph (2)(B), the new plan may file an appeal with the corporation to prevent the transfer. The transfer shall not be made if the corporation determines that the new plan would suffer substantial financial harm as a result of the transfer. Upon notification described in paragraph (2), if—

(A) the employer fails to object to the transfer within 60 days after receipt of the notice described in paragraph (2)(A), or

(B) the new plan either—

(i) fails to file such an appeal, or

(ii) the corporation, pursuant to such an appeal, fails to find that the new plan would suffer substantial financial harm as a result of the transfer described in the notice under paragraph (2)(B) within 180 days after the date on which the appeal is filed,

then the plan sponsor of the old plan shall transfer the appropriate amount of assets and liabilities to the new plan.

(c) Reduction of amount of withdrawal liability of employer upon transfer of appropriate amount of assets and liabilities by plan sponsor of old plan to new plan

If the plan sponsor of the old plan transfers the appropriate amount of assets and liabilities under this section to the new plan, then the amount of the employer’s withdrawal liability (as determined under section 1381(b) of this title without regard to such transfer and this section) with respect to the old plan shall be reduced by the amount by which—

(1) the value of the unfunded vested benefits allocable to the employer which were transferred by the plan sponsor of the old plan to the new plan, exceeds

(2) the value of the assets transferred.

(d) Escrow payments by employer upon complete or partial withdrawal and prior to transfer

In any case in which there is a complete or partial withdrawal described in subsection (a) of this section, if—

(1) the new plan files an appeal with the corporation under subsection (b)(3) of this section, and

(2) the employer is required by section 1399 of this title to begin making payments of withdrawal liability before the earlier of—

(A) the date on which the corporation finds that the new plan would not suffer substantial financial harm as a result of the transfer, or

(B) the last day of the 180-day period beginning on the date on which the new plan files its appeal,

then the employer shall make such payments into an escrow held by a bank or similar financial institution satisfactory to the old plan. If the transfer is made, the amounts paid into the escrow shall be returned to the employer. If the transfer is not made, the amounts paid into the escrow shall be paid to the old plan and credited against the employer’s withdrawal liability.

(e) Prohibition on transfer of assets to new plan by plan sponsor of old plan; exemptions

(1) Notwithstanding subsection (b) of this section, the plan sponsor shall not transfer any assets to the new plan if—

(A) the old plan is in reorganization (within the meaning of section 1421(a) of this title), or

(B) the transfer of assets would cause the old plan to go into reorganization (within the meaning of section 1421(a) of this title).

(2) In any case in which a transfer of assets from the old plan to the new plan is prohibited by paragraph (1), the plan sponsor of the old plan shall transfer—

(A) all nonforfeitable benefits described in subsection (b)(2) of this section, if the value of such benefits does not exceed the withdrawal liability of the employer with respect to such withdrawal, or

(B) such nonforfeitable benefits having a value equal to the withdrawal liability of the employer, if the value of such benefits exceeds the withdrawal liability of the employer.

(f) Agreement between plan sponsors of old plan and new plan to transfer in compliance with other statutory provisions; reduction of withdrawal liability of employer from old plan; amount of withdrawal liability of employer to new plan

(1) Notwithstanding subsections (b) and (e) of this section, the plan sponsors of the old plan and the new plan may agree to a transfer of assets and liabilities that complies with sections 1411 and 1414 of this title, rather than this section, except that the employer’s liability with respect to the withdrawal from the old plan shall be reduced under subsection (c) of this sec-

tion as if assets and liabilities had been transferred in accordance with this section.

(2) If the employer withdraws from the new plan within 240 months after the effective date of a transfer of assets and liabilities described in this section, the amount of the employer's withdrawal liability to the new plan shall be the greater of—

(A) the employer's withdrawal liability determined under part 1 of this subtitle with respect to the new plan, or

(B) the amount by which the employer's withdrawal liability to the old plan was reduced under subsection (c) of this section, reduced by 5 percent for each 12-month period following the effective date of the transfer and ending before the date of the withdrawal from the new plan.

(g) Definitions

For purposes of this section—

(1) "appropriate amount of assets" means the amount by which the value of the non-forfeitable benefits to be transferred exceeds the amount of the employer's withdrawal liability to the old plan (determined under part 1 of this subtitle without regard to section 1391(e) of this title), and

§ 1421. Reorganization status

(a) Reorganization index of plan for plan year greater than zero

A multiemployer plan is in reorganization for a plan year if the plan's reorganization index for that year is greater than zero.

(b) Determination of reorganization index of plan for plan year; applicable factors, definitions, etc.

(1) A plan's reorganization index for any plan year is the excess of—

(A) the vested benefits charge for such year, over

(B) the net charge to the funding standard account for such year.

(2) For purposes of this part, the net charge to the funding standard account for any plan year is the excess (if any) of—

(A) the charges to the funding standard account for such year under section 412(b)(2)¹ of title 26, over

(B) the credits to the funding standard account under section 412(b)(3)(B)¹ of title 26.

(3) For purposes of this part, the vested benefits charge for any plan year is the amount which would be necessary to amortize the plan's unfunded vested benefits as of the end of the base plan year in equal annual installments—

(A) over 10 years, to the extent such benefits are attributable to persons in pay status, and

(B) over 25 years, to the extent such benefits are attributable to other participants.

(4)(A) The vested benefits charge for a plan year shall be based on an actuarial valuation of the plan as of the end of the base plan year, adjusted to reflect—

(i) any—

(I) decrease of 5 percent or more in the value of plan assets, or increase of 5 percent or more in the number of persons in pay status, during the period beginning on the first day of the plan year following the base plan year and ending on the adjustment date, or

(II) at the election of the plan sponsor, actuarial valuation of the plan as of the adjustment date or any later date not later than the last day of the plan year for which the determination is being made,

(ii) any change in benefits under the plan which is not otherwise taken into account under this subparagraph and which is pursuant to any amendment—

(I) adopted before the end of the plan year for which the determination is being made, and

(II) effective after the end of the base plan year and on or before the end of the plan year referred to in subclause (I), and

(iii) any other event (including an event described in subparagraph (B)(i)(I)) which, as determined in accordance with regulations prescribed by the Secretary, would substantially increase the plan's vested benefit charge.

(B)(i) In determining the vested benefits charge for a plan year following a plan year in which the plan was not in reorganization, any change in benefits which—

(I) results from the changing of a group of participants from one benefit level to another benefit level under a schedule of plan benefits as a result of changes in a collective bargaining agreement, or
