(3) The procurement of services and equipment, and the leasing of equipment, for the National Guard of that State used for the purpose of drug interdiction and counter-drug activities. However, the use of such funds for the procurement of equipment may not exceed \$5,000 per item, unless approval for procurement of equipment in excess of that amount is granted in advance by the Secretary of Defense.

(b) USE OF PERSONNEL PERFORMING FULL-TIME NATIONAL GUARD DUTY.—(1) Under regulations prescribed by the Secretary of Defense, personnel of the National Guard of a State may, in accordance with the State drug interdiction and counter-drug activities plan referred to in subsection (c), be ordered to perform full-time National Guard duty under section 502(f) of this title for the purpose of carrying out drug interdiction and counter-drug activities.

(2)(A) A member of the National Guard serving on full-time National Guard duty under orders authorized under paragraph (1) shall participate in the training required under section 502(a) of this title in addition to the duty performed for the purpose authorized under that paragraph. The pay, allowances, and other benefits of the member while participating in the training shall be the same as those to which the member is entitled while performing duty for the purpose of carrying out drug interdiction and counter-drug activities. The member is not entitled to additional pay, allowances, or other benefits for participation in training required under section 502(a)(1) of this title.

(B) Appropriations available for the Department of Defense for drug interdiction and counter-drug activities may be used for paying costs associated with a member's participation in training described in subparagraph (A). The appropriation shall be reimbursed in full, out of appropriations available for paying those costs, for the amounts paid. Appropriations available for paying those costs shall be available for making the reimbursements.

(C) To ensure that the use of units and personnel of the National Guard of a State pursuant to

(i) The performance of the activities may not adversely affect the quality of that training or otherwise interfere with the ability of a member or unit of the National Guard to perform the military functions of the member or unit.

(ii) National Guard personnel will not degrade their military skills as a result of performing the activities.

(iii) The performance of the activities will not result in a significant increase in the cost of training.

(iv) In the case of drug interdiction and counter-drug activities performed by a unit organized to serve as a unit, the activities will support valid unit training requirements.

(3) A unit or member of the National Guard of a State may be used, pursuant to a State drug interdiction and counter-drug activities plan approved by the Secretary of Defense under this section, to provide services or other assistance (other than air transportation) to an organization eligible to receive services under section 508 of this title if—

(5) include a certification by the Attorney General of the State (or, in the case of a State with no position of Attorney General, a civilian official of the State equivalent to a State attorney general) that the use of the National Guard of the State for the activities proposed under the plan is authorized by, and is consistent with, State law; and

(6) certify that the Governor of the State or a civilian law enforcement official of the State designated by the Governor has determined

that any activities included in the plan that are carried out in conjunction with Federal law enforcement agencies serve a State law enforcement purpose.

The plan as approved by the Secretary may provide for the use of personnel and equipment of the National Guard of that State to assist the Immigration and Naturalization Service in the transportation of aliens who have violated a Federal or State law prohibiting or regulating the possession, use, or distribution of a controlled substance.

(2) Except as provided in paragraph (3), the Secretary shall carry out paragraph (1) in consultation with the Director of National Drug Control Policy.
