§ 59bb-1. Declaration of nonnavigability for Lake Erie, New York

(a) Area to be declared nonnavigable; public interest

Unless the Secretary finds, after consultation with local and regional public officials (including local and regional public planning organizations), that the proposed projects to be undertaken within the boundaries in the portion of Erie County, New York, described in subsection (b) of this section, are not in the public interest then, subject to subsection (c) of this section, those portions of such county that were once part of Lake Erie and are now filled are declared to be nonnavigable waters of the United States.

(b) Boundaries

The portion of Erie County, New York, referred to in subsection (a) of this section is all that tract or parcel of land, situated in the town of Hamburg and the city of Lackawanna, Erie County, New York, being part of Lots 12, 13, 14, 15, 16, 17, 18, 19, 20, 21, 22, 23, 24, and 25 of the Ogden Gore Tract and part of Lots 23, 24, and 36 of the Buffalo Creek Reservation, Township 10, Range 8 of the Holland Land Company's Survey and more particularly bounded and described as follows:

[Omitted.]

(c) Limits on applicability; regulatory requirements

The declaration under subsection (a) of this section shall apply to those parts of the areas described in subsection (b) of this section that

are filled portions of Lake Erie. Any work on these filled portions shall be subject to all applicable Federal statutes and regulations, including sections 401 and 403 of this title, section 1344 of this title, and the National Environmental Policy Act of 1969 (42 U.S.C. 4321 et seq.).

(d) Expiration date

If, 20 years from December 11, 2000, any area or part thereof described in subsection (a) of this section is not occupied by permanent structures in accordance with the requirements set out in subsection (c) of this section, or if work in connection with any activity permitted in subsection (c) of this section is not commenced within 5 years after issuance of such permits, then the declaration of nonnavigability for such area or part thereof shall expire.

(c) Determination of public interest

The declaration made in subsection (a) of this section shall not take effect if the Secretary of the Army (acting through the Chief of Engineers), using reasonable discretion, finds that the proposed project is not in the public interest—

(1) before the date which is 120 days after the date of the submission to the Secretary of appropriate plans for the proposed project; and

(2) after consultation with local and regional public officials (including local and regional public planning organizations).

¹ So in original. The semicolon probably should be a period.

(d) Limitation on applicability of declaration

(1) Affected area

The declaration made in subsection (a) of this section shall apply only to those portions of the area described in subsection (b) of this section which are or will be occupied by permanent structures (including docking facilities) comprising the proposed project.

(2) Application of other laws

Notwithstanding subsection (a) of this section, all activities conducted in the area described in subsection (b) of this section are subject to all Federal laws which apply to such activities, including—

(A) sections 401 and 403 of this title;

(B) section 1344 of this title; and

(C) the National Environmental Policy Act of 1969 (42 U.S.C. 4321 et seq.).

(e) Expiration date

The declaration made in subsection (a) of this section shall expire—

(1) on the date which is 6 years after December 18, 1991, if work on the proposed project to be performed in the area described in subsection (b) of this section is not commenced before such date; or

(2) on the date which is 20 years after December 18, 1991, for any portion of the area described in subsection (b) of this section which on such date is not bulkheaded, filled, or occupied by a permanent structure (including docking facilities).

(f) "Proposed project" defined

For the purposes of this section, the term "proposed project" means any project for the rehabilitation and development of—

(1) the structure located in the area described in subsection (b) of this section, commonly referred to as Pier A; and

(2) the area surrounding such structure.
