§ 1969. Deductions; payment; investment; expenses

(a)(1) During any period in which a member, on active duty or active duty for training under a call or order to such duty that does not specify a period of less than thirty-one days, is insured under Servicemembers' Group Life Insurance, there shall be deducted each month from the member's basic or other pay until separation or release from such duty an amount determined by the Secretary (which shall be the same for all such members) as the share of the cost attributable to insuring such member under such policy, less any costs traceable to the extra hazard of such duty in the uniformed service.

(2)(A) During any month in which a member is assigned to the Ready Reserve of a uniformed service under conditions which meet the qualifications of (subparagraph (B) or (C) of section 1965(5) of this title, and is insured under a policy of insurance purchased by the Secretary, under section 1966 of this title, there shall be contributed from the appropriation made for active duty pay of the uniformed service concerned an amount determined by the Secretary (which shall be the same for all such members) as the share of the cost attributable to insuring such member under this policy, less any costs traceable to the extra hazards of such duty in the uniformed services. Any amounts so contributed on behalf of any individual shall be collected by the Secretary concerned from such individual (by deduction from pay or otherwise) and shall be credited to the appropriation from which such contribution was made.

(B) If an individual who is required pursuant to subparagraph (A) to make a direct remittance of costs to the Secretary concerned fails to make the required remittance within 60 days of the date on which such remittance is due, such individual's insurance with respect to which such remittance is required shall be terminated by the Secretary concerned. Such termination shall be made by written notice to the individual's official address and shall be effective 60 days after the date of such notice. Such termination of insurance may be vacated if, before the effective date of termination, the individual remits all amounts past due for such insurance and demonstrates to the satisfaction of the Secretary concerned that the failure to make timely remittances was justifiable.

(3) During any fiscal year, or portion thereof, that a member is on active duty or active duty for training under a call or order to such duty that specifies a period of less than thirty-one days, or is authorized or required to perform inactive duty training scheduled in advance by competent authority, and is insured under Servicemembers' Group Life Insurance, the Secretary concerned shall collect from the member (by deduction from pay or otherwise) an amount determined by the Secretary (which shall be the same for all such members) as the share of the cost attributable to insuring such member under such policy, less any costs traceable to the extra hazard of such duty in the uniformed service.

(4) Any amount not deducted from the basic or other pay of a member insured under Servicemembers' Group Life Insurance, or collected from the member by the Secretary concerned, if not otherwise paid, shall be deducted from the proceeds of any insurance thereafter payable. The initial monthly amount under paragraph (1) or (2) hereof, or fiscal year amount under paragraph (3) hereof, determined by the Secretary to be charged under this section for Servicemembers' Group Life Insurance may be continued from year to year, except that the Secretary may redetermine such monthly or fiscal year amounts from time to time in accordance with experience. (b) For each month for which any member is so insured, there shall be contributed from the appropriation made for active duty pay of the uniformed service concerned an amount determined by the Secretary and certified to the Secretary concerned to be the cost of Servicemembers' Group Life Insurance which is traceable to the extra hazard of duty in the uniformed services.
