(2) A hearing to be held within an area served by a regional office of the Department shall (except as provided in paragraph (3)) be scheduled to be held in accordance with the place of the case on the docket under subsection (a) relative to other cases on the docket for which hearings are scheduled to be held within that area.

(3) A hearing to be held within an area served by a regional office of the Department may, for cause shown, be advanced on motion for an earlier hearing. Any such motion shall set forth succinctly the grounds upon which the motion is based. Such a motion may be granted only—

(A) if the case involves interpretation of law of general application affecting other claims;

(B) if the appellant is seriously ill or is under severe financial hardship; or

(C) for other sufficient cause shown.

(e)(1) At the request of the Chairman, the Secretary may provide suitable facilities and equipment to the Board or other components of the Department to enable an appellant located at a facility within the area served by a regional office to participate, through voice transmission or through picture and voice transmission, by electronic or other means, in a hearing with a Board member or members sitting at the Board's principal location.

(2) When such facilities and equipment are available, the Chairman may afford the appellant an opportunity to participate in a hearing before the Board through the use of such facilities and equipment in lieu of a hearing held by personally appearing before a Board member or panel as provided in subsection (d). Any such hearing shall be conducted in the same manner as, and shall be considered the equivalent of, a personal hearing. If the appellant declines to participate in a hearing through the use of such facilities and equipment, the opportunity of the appellant to a hearing as provided in such subsection (d) shall not be affected.

(f) Nothing in this section shall preclude the screening of cases for purposes of—

(1) determining the adequacy of the record for decisional purposes; or

(2) the development, or attempted development, of a record found to be inadequate for decisional purposes.
