### § 12806. Home repair services grants for older and disabled homeowners

#### (a) In general

The Secretary shall make available a model program to provide home repair services for older homeowners and disabled homeowners, including such services as the examination of homes, repair services, and follow-up to ensure the continued effectiveness of the repairs provided.

#### (b) Eligible recipients

Home repair services shall be provided to homeowners who—

- (1) own and reside in the dwellings for which services are provided;
- (2) are older or disabled; and
- (3) are members of low-income families.

#### (c) Permitted restrictions

Guidelines for the model program shall require that—

- (1) assisted dwelling units be the primary residence of the homeowner for whom services are provided;
- (2) preferences be provided for (A) very low-income families, and (B) individuals with intense need characterized by noneconomic factors such as physical and mental disabilities, language barriers, and cultural, social, or geographical isolation caused by racial or ethnic status that restricts the ability of an individual to perform normal daily tasks or that threatens the capacity of the individual to live independently;
- (3) any fees charged be based on the income of the individual receiving the home repair services.

(Pub. L. 101-625, title II, § 256, Nov. 28, 1990, 104 Stat. 4122.)

### § 12807. Low-income housing conservation and efficiency grant programs

#### (a) In general

The Secretary shall make available a model program to provide safe, energy-efficient affordable housing for low-income persons.

#### (b) Activities

The model program shall provide for—

(1) identification of housing that is—

(A) owned and occupied by low-income families who have received, are currently receiving, or are scheduled to receive assistance under the weatherization assistance for low-income persons program under part A of title IV of the Energy Conservation and Production Act [42 U.S.C. 6861 et seq.] (or a comparable Federal or State program);

(B) in danger of becoming uninhabitable within a 5-year period because of structural weaknesses or problems; and

(C) not sufficiently sound to permit energy conservation improvements without other repair or rehabilitation measures to protect such energy investments;

(2) repairs that will significantly prolong the habitability of units identified under paragraph (1), including roofing, electrical, plumbing, furnace, and foundation repairs or replacement that will prolong the use of the unit as a safe and energy-efficient residence for low-income persons; and

(3) reasonable steps to ensure that any units so repaired will remain occupied by persons or families eligible for assistance under this subchapter.
