(3) the term “mental injury” means harm to a child’s psychological or intellectual functioning which may be exhibited by severe anxiety, depression, withdrawal or outward aggressive behavior, or a combination of those behaviors, which may be demonstrated by a change in behavior, emotional response or cognition;

(4) the term “sexual abuse” includes the employment, use, persuasion, inducement, enticement, or coercion of a child to engage in, or assist another person to engage in, sexually explicit conduct or the rape, molestation, prostitution, or other form of sexual exploitation of children, or incest with children;

(5) the term “sexually explicit conduct” means actual or simulated—

(A) sexual intercourse, including sexual contact in the manner of genital-genital, oral-genital, anal-genital, or oral-anal contact, whether between persons of the same or of opposite sex; sexual contact means the intentional touching, either directly or through clothing, of the genitalia, anus, groin, breast, inner thigh, or buttocks of any person with an intent to abuse, humiliate, harass, degrade, or arouse or gratify sexual desire of any person;

(B) bestiality;

(C) masturbation;

(E) sadistic or masochistic abuse;

(6) the term “exploitation” means child pornography or child prostitution;

(d) Agency designated to receive report and action to be taken

are cared for or reside, the Attorney General shall designate an agency to receive and investigate the reports described in subsection (a) of this section. By formal written agreement, the designated agency may be a non-Federal agency. When such reports are received by social services or health care agencies, and involve allegations of sexual abuse, serious physical injury, or life-threatening neglect of a child, there shall be an immediate referral of the report to a law enforcement agency with authority to take emergency action to protect the child. All reports received shall be promptly investigated, and whenever appropriate, investigations shall be conducted jointly by social services and law enforcement personnel, with a view toward avoiding unnecessary multiple interviews with the child.

(e) Reporting form

In every federally operated (or contracted) facility, and on all Federal lands, a standard written reporting form, with instructions, shall be disseminated to all mandated reporter groups. Use of the form shall be encouraged, but its use shall not take the place of the immediate making of oral reports, telephonically or otherwise, when circumstances dictate.

(f) Immunity for good faith reporting and associated actions

All persons who, acting in good faith, make a report by subsection (a) of this section, or otherwise provide information or assistance in connection with a report, investigation, or legal intervention pursuant to a report, shall be immune from civil and criminal liability arising out of such actions. There shall be a presumption that any such persons acted in good faith. If a person is sued because of the person’s performance of one of the above functions, and the defendant prevails in the litigation, the court may order that the plaintiff pay the defendant’s legal expenses. Immunity shall not be accorded to persons acting in bad faith.
