(2) Adjustments

The Secretary may make adjustments in the amounts of State allotments based on clauses (i), (ii), and (iii) of paragraph (1)(A) not more often than annually. The Secretary shall notify each State of any adjustment made under this paragraph and the percentage of the total

sums appropriated under section 15029 of this title that the adjusted allotment represents not later than 6 months before the beginning of the fiscal year in which such adjustment is to take effect.

(3) Minimum allotment for appropriations less than or equal to \$70,000,000

(A) In general

Except as provided in paragraph (4), for any fiscal year the allotment under this section—

(B) Reduction of allotment

Notwithstanding subparagraph (A), if the aggregate of the amounts to be allotted to the States pursuant to subparagraph (A) for any fiscal year exceeds the total amount appropriated under section 15029 of this title for such fiscal year, the amount to be allotted to each State for such fiscal year shall be proportionately reduced.

(4) Minimum allotment for appropriations in excess of \$70,000,000

(A) In general

In any case in which the total amount appropriated under section 15029 of this title for a fiscal year is more than \$70,000,000, the allotment under this section for such fiscal year—

In any year in which the total amount appropriated under section 15029 of this title for

a fiscal year exceeds the total amount appropriated under such section (or a corresponding provision) for the preceding fiscal year by a percentage greater than the most recent percentage change in the Consumer Price Index published by the Secretary of Labor under section 720(c)(1) of title 29 (if the percentage change indicates an increase), the Secretary shall increase each of the minimum allotments described in paragraphs (3) and (4). The Secretary shall increase each minimum allotment by an amount that bears the same ratio to the amount of such minimum allotment (including any increases in such minimum allotment under this paragraph (or a corresponding provision) for prior fiscal years) as the amount that is equal to the difference between—

(A) the total amount appropriated under section 15029 of this title for the fiscal year for which the increase in the minimum allotment is being made; minus

(B) the total amount appropriated under section 15029 of this title (or a corresponding provision) for the immediately preceding fiscal year,

(2) Timing

The Secretary may make such a reallotment from time to time, on such date as the Secretary may fix, but not earlier than 30 days after the Secretary has published notice of the intention of the Secretary to make the reallotment in the Federal Register.

The Secretary shall reallot the amount to other States with respect to which the Sec-

retary has not made that determination. The Secretary shall reallocate the amount in proportion to the original allotments of the other States for such fiscal year, but shall reduce such proportionate amount for any of the other States to the extent the proportionate amount exceeds the sum that the Secretary estimates the State needs and will be able to use during such period.

(4) Reallocation of reductions

The Secretary shall similarly reallocate the total of the reductions among the States whose proportionate amounts were not so reduced.

(5) Treatment

Any amount reallocated to a State under this subsection for a fiscal year shall be deemed to be a part of the allotment of the State under subsection (a) of this section for such fiscal year.
