

**(10) Sexual assault with an object**

The term “sexual assault with an object” means the use of any hand, finger, object, or other instrument to penetrate, however slightly, the genital or anal opening of the body of another person.

**(11) Sexual fondling**

The term “sexual fondling” means the touching of the private body parts of another person (including the genitalia, anus, groin, breast, inner thigh, or buttocks) for the purpose of sexual gratification.

**(12) Exclusions**

The terms and conditions described in paragraphs (9) and (10) shall not apply to—

(A) custodial or medical personnel gathering physical evidence, or engaged in other legitimate medical treatment, in the course of investigating prison rape;

(B) the use of a health care provider’s hands or fingers or the use of medical devices in the course of appropriate medical treatment unrelated to prison rape; or

(C) the use of a health care provider’s hands or fingers and the use of instruments to perform body cavity searches in order to maintain security and safety within the prison or detention facility, provided that the search is conducted in a manner consistent with constitutional requirements.

(Pub. L. 108–79, §10, Sept. 4, 2003, 117 Stat. 987.)

**CHAPTER 148—WINDSTORM IMPACT REDUCTION**

Sec.	
15701.	Findings.
15702.	Definitions.
15703.	National Windstorm Impact Reduction Program.
15704.	National Advisory Committee on Windstorm Impact Reduction.
15705.	Savings clause.
15706.	Authorization of appropriations.
15707.	Coordination.

**§ 15701. Findings**

The Congress finds the following:

(1) Hurricanes, tropical storms, tornadoes, and thunderstorms can cause significant loss of life, injury, destruction of property, and economic and social disruption. All States and regions are vulnerable to these hazards.

(2) The United States currently sustains several billion dollars in economic damages each year due to these windstorms. In recent decades, rapid development and population growth in high-risk areas has greatly increased overall vulnerability to windstorms.

(3) Improved windstorm impact reduction measures have the potential to reduce these losses through—

(A) cost-effective and affordable design and construction methods and practices;

(B) effective mitigation programs at the local, State, and national level;

(C) improved data collection and analysis and impact prediction methodologies;

(D) engineering research on improving new structures and retrofitting existing ones to

better withstand windstorms, atmospheric-related research to better understand the behavior and impact of windstorms on the built environment, and subsequent application of those research results; and

(E) public education and outreach.

(4) There is an appropriate role for the Federal Government in supporting windstorm impact reduction. An effective Federal program in windstorm impact reduction will require interagency coordination, and input from individuals, academia, the private sector, and other interested non-Federal entities.

(Pub. L. 108–360, title II, §202, Oct. 25, 2004, 118 Stat. 1675.)

SHORT TITLE

Pub. L. 108–360, title II, §201, Oct. 25, 2004, 118 Stat. 1675, provided that: “This Act [probably should be ‘this title’, enacting this chapter and amending section 1885d of this title] may be cited as the ‘National Windstorm Impact Reduction Act of 2004’.”

**§ 15702. Definitions**

In this chapter:

**(1) Director**

The term “Director” means the Director of the Office of Science and Technology Policy.

**(2) Program**

The term “Program” means the National Windstorm Impact Reduction Program established by section 15703(a) of this title.

**(3) State**

The term “State” means each of the States of the United States, the District of Columbia, the Commonwealth of Puerto Rico, the United States Virgin Islands, Guam, American Samoa, the Commonwealth of the Northern Mariana Islands, and any other territory or possession of the United States.

**(4) Windstorm**

The term “windstorm” means any storm with a damaging or destructive wind component, such as a hurricane, tropical storm, tornado, or thunderstorm.

(Pub. L. 108–360, title II, §203, Oct. 25, 2004, 118 Stat. 1676.)

REFERENCES IN TEXT

This chapter, referred to in text, was in the original “this title”, meaning title II of Pub. L. 108–360, Oct. 25, 2004, 118 Stat. 1675, which is classified generally to this chapter. For complete classification of title II to the Code, see Short Title note set out under section 15701 of this title and Tables.

**§ 15703. National Windstorm Impact Reduction Program**

**(a) Establishment**

There is established the National Windstorm Impact Reduction Program.

**(b) Objective**

The objective of the Program is the achievement of major measurable reductions in losses of life and property from windstorms. The objective is to be achieved through a coordinated Federal effort, in cooperation with other levels
