

§ 3032c. Health care service demonstration projects in rural areas

(a) Authority

The Assistant Secretary, after consultation with the State agency of the State involved, shall make grants to eligible public agencies and nonprofit private organizations to pay part or all of the cost of developing or operating model health care service projects (including related home health care services, adult day health care, mental health services, outreach, and transportation) through multipurpose senior centers that are located in rural areas and that provide nutrition services under section 3030e of this title, to meet the health care needs of medically underserved older individuals residing in such areas.

(b) Eligibility

To be eligible to receive a grant under subsection (a) of this section, a public agency or nonprofit private organization shall submit to the Assistant Secretary an application containing such information and assurances as the Secretary may require, including—

(1) information describing the nature and extent of the applicant's—

(A) experience in providing medical services of the type to be provided in the project for which a grant is requested; and

(B) coordination and cooperation with—

(i) institutions of higher education having graduate programs with capability in public health, mental health, the medical sciences, psychology, pharmacology, nursing, social work, health education, nutrition, or gerontology, for the purpose of designing and developing such project; and

(ii) critical access hospitals (as defined in section 1395x(mm)(1) of this title and rural health clinics (as defined in section 1395x(aa)(2) of this title);

(2) assurances that the applicant will carry out the project for which a grant is requested, through a multipurpose senior center located—

(A)(i) in a rural area that has a population of less than 5,000; or

(ii) in a county that has fewer than seven individuals per square mile; and

(B) in a State in which—

(i) not less than 33½ of the population resides in rural areas; and

(ii) not less than 5 percent of the population resides in counties with fewer than seven individuals per square mile,

as defined by and determined in accordance with the most recent data available from the Bureau of the Census; and

(3) assurances that the applicant will submit to the Assistant Secretary such evaluations and reports as the Assistant Secretary may require.

(c) Reports

The Assistant Secretary shall prepare and submit to the appropriate committees of Congress a report that includes summaries of the evaluations and reports required under subsection (b) of this section.

AMENDMENTS

2006—Subsec. (a). Pub. L. 109-365, §404(1), inserted “mental health services,” after “adult day health care.”

Subsec. (b)(1)(B)(i). Pub. L. 109-365, §404(2), inserted “mental health,” after “public health.”

§ 3032d. Computer training

(a) Program authorized

The Assistant Secretary, in consultation with the Assistant Secretary of Commerce for Communications and Information, may award grants or contracts to entities to provide computer training and enhanced Internet access for older individuals.

(b) Priority

If the Assistant Secretary awards grants under subsection (a) of this section, the Assistant Secretary shall give priority to an entity that—

(1) will provide services to older individuals living in rural areas;

(2) has demonstrated expertise in providing computer training to older individuals; or

(3) has demonstrated that it has a variety of training delivery methods, including facility-based, computer-based, and Internet-based training, that may facilitate a determination of the best method of training older individuals.

(c) Special consideration

In awarding grants under this section, the Assistant Secretary shall give special consideration to applicants that have entered into a partnership with one or more private entities providing such applicants with donated information technologies including software, hardware, or training.

(d) Use of funds

An entity that receives a grant or contract under subsection (a) of this section shall use funds received under such grant or contract to provide training for older individuals that—

(1) relates to the use of computers and related equipment, in order to improve the self-employment and employment-related technology skills of older individuals, as well as their ability to use the Internet; and

(2) is provided at senior centers, housing facilities for older individuals, elementary schools, secondary schools, and institutions of higher education.
