**§ 3755. Formula**

**(a) Allocation among States**

**(1) In general**

Of the total amount appropriated for this part, the Attorney General shall, except as provided in paragraph (2), allocate—

(A) 50 percent of such remaining amount to each State in amounts that bear the same ratio of—

- (i) the total population of a State to—
- (ii) the total population of the United States; and

(B) 50 percent of such remaining amount to each State in amounts that bear the same ratio of—

- (i) the average annual number of part 1 violent crimes of the Uniform Crime Reports of the Federal Bureau of Investigation reported by such State for the three most recent years reported by such State to—
- (ii) the average annual number of such crimes reported by all States for such years.

**(2) Minimum allocation**

If carrying out paragraph (1) would result in any State receiving an allocation less than 0.25 percent of the total amount (in this paragraph referred to as a “minimum allocation State”), then paragraph (1), as so carried out, shall not apply, and the Attorney General shall instead—

(A) allocate 0.25 percent of the total amount to each State; and

(B) using the amount remaining after carrying out subparagraph (A), carry out paragraph (1) in a manner that excludes each minimum allocation State, including the population of and the crimes reported by such State.

**(b) Allocation between States and units of local government**

Of the amounts allocated under subsection (a) of this section—

(1) 60 percent shall be for direct grants to States, to be allocated under subsection (c) of this section; and

(2) 40 percent shall be for grants to be allocated under subsection (d) of this section.

**(c) Allocation for State governments**

(B) the total expenditure on criminal justice by the State government and units of local government within the State in such year.

**(2) Remaining amounts**

Except as provided in subsection (e)(1) of this section, any amounts remaining after the allocation required by paragraph (1) shall be made available to units of local government by the State for the purposes described in section 3751 of this title.

**(d) Allocations to local governments**

**(1) In general**

Of the amounts allocated under subsection (b)(2) of this section, grants for the purposes described in section 3751 of this title shall be made directly to units of local government within each State in accordance with this subsection, subject to subsection (e) of this section.

**(2) Allocation**

**(A) In general**

From the amounts referred to in paragraph (1) with respect to a State (in this subsection referred to as the “local amount”), the Attorney General shall allocate to each unit of local government an amount which bears the same ratio to such share as the average annual number of part 1 violent crimes reported by such unit to the Federal Bureau of Investigation for the 3 most recent calendar years for which such data is available bears to the number of part 1 violent crimes reported by all units of local government in the State in which the unit is located to the Federal Bureau of Investigation for such years.
