(a) Financial conflicts of interest

With respect to projects for which awards of grants, cooperative agreements, or contracts are authorized to be made under this subchapter, the Director shall by regulation define—

(b) Requirement of application

The Director may not, with respect to any program under this subchapter authorizing the provision of grants, cooperative agreements, or contracts, provide any such financial assistance unless an application for the assistance is submitted to the Secretary and the application is in such form, is made in such manner, and contains such agreements, assurances, and information as the Director determines to be necessary to carry out the program involved.

(c) Provision of supplies and services in lieu of funds

(2) Corresponding reduction in funds

With respect to a request described in paragraph (1), the Secretary shall reduce the amount of the financial assistance involved by an amount equal to the costs of detailing personnel and the fair market value of any supplies, equipment, or services provided by the Director.
