

tion submitted under subsection (a) of this section;

(B) recommend procedures for the submission of petitions developed under subsection (a) of this section;

(C) recommend criteria for the assessment of source water areas within a State; and

(D) describe technical or financial assistance pursuant to Federal and State programs that is available to address the contamination of sources of drinking water and to develop and respond to petitions submitted under subsection (a) of this section.

(e) Authorization of appropriations

There are authorized to be appropriated to carry out this section \$5,000,000 for each of the fiscal years 1997 through 2003. Each State with a plan for a program approved under subsection (b) of this section shall receive an equitable portion of the funds available for any fiscal year.

(f) Statutory construction

Nothing in this section—

(1)(A) creates or conveys new authority to a State, political subdivision of a State, or community water system for any new regulatory measure; or

(B) limits any authority of a State, political subdivision, or community water system; or

(2) precludes a community water system, municipal or local government, or political subdivision of a government from locally developing and carrying out a voluntary, incentive-based, source water quality protection partnership to address the origins of drinking water contaminants of public health concern.

§ 300j-15. Water conservation plan

(a) Guidelines

Not later than 2 years after August 6, 1996, the Administrator shall publish in the Federal Register guidelines for water conservation plans for public water systems serving fewer than 3,300 persons, public water systems serving between 3,300 and 10,000 persons, and public water systems serving more than 10,000 persons, taking into consideration such factors as water availability and climate.

(b) Loans or grants

Within 1 year after publication of the guidelines under subsection (a) of this section, a State exercising primary enforcement responsibility for public water systems may require a public water system, as a condition of receiving a loan or grant from a State loan fund under section 300j-12 of this title, to submit with its application for such loan or grant a water conservation plan consistent with such guidelines.

§ 300j-16. Assistance to colonias

(a) Definitions

As used in this section:

(1) Border State

The term “border State” means Arizona, California, New Mexico, and Texas.

(2) Eligible community

The term “eligible community” means a low-income community with economic hardship that—

(A) is commonly referred to as a colonia;

(B) is located along the United States-Mexico border (generally in an unincorporated area); and

(C) lacks a safe drinking water supply or adequate facilities for the provision of safe drinking water for human consumption.

(b) Grants to alleviate health risks

The Administrator of the Environmental Protection Agency and the heads of other appropriate Federal agencies are authorized to award grants to a border State to provide assistance to eligible communities to facilitate compliance with national primary drinking water regulations or otherwise significantly further the health protection objectives of this subchapter.

(c) Use of funds

Each grant awarded pursuant to subsection (b) of this section shall be used to provide assistance to one or more eligible communities with respect to which the residents are subject to a significant health risk (as determined by the Administrator or the head of the Federal agency making the grant) attributable to the lack of access to an adequate and affordable drinking water supply system.

(d) Cost sharing

The amount of a grant awarded pursuant to this section shall not exceed 50 percent of the costs of carrying out the project that is the subject of the grant.

(e) Authorization of appropriations

There are authorized to be appropriated to carry out this section \$25,000,000 for each of the fiscal years 1997 through 1999.

(July 1, 1944, ch. 373, title XIV, §1456, as added Pub. L. 104-182, title I, §135, Aug. 6, 1996, 110 Stat. 1679.)
