

Office of AIDS Research. The Office shall be headed by a director, who shall be appointed by the Secretary.

(b) Duties

(1) Interagency coordination of AIDS activities

With respect to acquired immune deficiency syndrome, the Director of the Office shall plan, coordinate, and evaluate research and other activities conducted or supported by the agencies of the National Institutes of Health. In carrying out the preceding sentence, the Director of the Office shall evaluate the AIDS activities of each of such agencies and shall provide for the periodic reevaluation of such activities.

(2) Consultations

The Director of the Office shall carry out this subpart (including developing and revising the plan required in section 300cc-40c of this title) in consultation with the heads of the agencies of the National Institutes of Health, with the advisory councils of the agencies, and with the advisory council established under section 300cc-40b of this title.

(3) Coordination

The Director of the Office shall act as the primary Federal official with responsibility for overseeing all AIDS research conducted or supported by the National Institutes of Health, and

(A) shall serve to represent the National Institutes of Health AIDS Research Program at all relevant Executive branch task forces and committees; and

(B) shall maintain communications with all relevant Public Health Service agencies and with various other departments of the Federal Government, to ensure the timely transmission of information concerning advances in AIDS research and the clinical treatment of acquired immune deficiency syndrome and its related conditions, between these various agencies for dissemination to affected communities and health care providers.

§ 300cc-40a. Microbicide research

(a) Federal strategic plan

The Director of the Office shall—

(1) expedite the implementation of the Federal strategic plans required by section 283(a) of this title regarding the conduct and support of research on, and development of, a microbicide to prevent the transmission of the human immunodeficiency virus; and

(2) review and, as appropriate, revise such plan to prioritize funding and activities relative to their scientific urgency and potential market readiness.

(b) Coordination

In implementing, reviewing, and prioritizing elements of the plan described in subsection (a), the Director of the Office shall consult, as appropriate, with—

(1) representatives of other Federal agencies involved in microbicide research, including the Coordinator of United States Government Activities to Combat HIV/AIDS Globally, the Director of the Centers for Disease Control and Prevention, and the Administrator of the United States Agency for International Development;

(2) the microbicide research and development community; and

(3) health advocates.

PRIOR PROVISIONS

A prior section 300cc-40a, act July 1, 1944, ch. 373, title XXIII, §2352, as added Pub. L. 103-43, title XVIII, §1801(a)(3), June 10, 1993, 107 Stat. 193, which required the establishment of an advisory council and coordinating committees, was transferred to section 300cc-40b of this title.

SENSE OF CONGRESS

Pub. L. 110-293, title II, §203(a), July 30, 2008, 122 Stat. 2940, provided that: “Congress recognizes the need and urgency to expand the range of interventions for preventing the transmission of human immunodeficiency virus (HIV), including nonvaccine prevention methods that can be controlled by women.”

§ 300cc-40b. Advisory Council; coordinating committees

(a) Advisory Council

(1) In general

The Secretary shall establish an advisory council for the purpose of providing advice to the Director of the Office on carrying out this part. (Such council is referred to in this subsection as the “Advisory Council”.)

(2) Composition, compensation, terms, chair, etc.

Subsections (b) through (g) of section 284a of this title apply to the Advisory Council to the same extent and in the same manner as such subsections apply to advisory councils for the national research institutes, except that—

(A) in addition to the ex officio members specified in section 284a(b)(2) of this title, there shall serve as such members of the Advisory Council a representative from the advisory council of each of the National Cancer Institute and the National Institute on Allergy and Infectious Diseases; and

(B) with respect to the other national research institutes, there shall serve as ex officio members of such Council, in addition to such members specified in subparagraph (A), a representative from the advisory council of each of the 2 institutes that receive the greatest funding for AIDS activities.

(b) Individual coordinating committees regarding research disciplines

(1) In general

The Director of the Office shall establish, for each research discipline in which any activity under the plan required in section 300cc-40c of this title is carried out, a committee for the purpose of providing advice to the Director of
