Such issuers shall prominently post such information on their Internet websites. The Secretary shall ensure the public disclosure of information on such increases and justifications for all health insurance issuers.

**(b) Continuing premium review process**

**(1) Informing Secretary of premium increase patterns**

As a condition of receiving a grant under subsection (c)(1), a State, through its Commissioner of Insurance, shall—

(A) provide the Secretary with information about trends in premium increases in health insurance coverage in premium rating areas in the State; and

**(2) Monitoring by Secretary of premium increases**

**(A) In general**

Beginning with plan years beginning in 2014, the Secretary, in conjunction with the States and consistent with the provisions of subsection (a)(2), shall monitor premium increases of health insurance coverage offered through an Exchange and outside of an Exchange.

**(B) Consideration in opening Exchange**

In determining under section 18032(f)(2)(B) of this title whether to offer qualified health plans in the large group market through an Exchange, the State shall take into account any excess of premium growth outside of the Exchange as compared to the rate of such growth inside the Exchange.

**(c) Grants in support of process**

**(1) Premium review grants during 2010 through 2014**

The Secretary shall carry out a program to award grants to States during the 5-year period beginning with fiscal year 2010 to assist such States in carrying out subsection (a), including—

**(C) Allocation**

The Secretary shall establish a formula for determining the amount of any grant to a State under this subsection. Under such formula—

(E) regularly publish information concerning the statistical methodologies used by the center to analyze health charge data and make such data available to researchers and policy makers.

**(2) Conflicts of interest**

A center established under subsection (c)(1)(C) shall adopt by-laws that ensures that the center (and all members of the governing board of the center) is independent and free from all conflicts of interest.
