(b) Assumption of responsibility for enforcement of Federal standards; submission of enforcement plan to Secretary

Any State which, at any time, desires to assume responsibility for enforcement of manufactured home safety and construction standards relating to any issue with respect to which a Federal standard has been established under section 5403 of this title, shall submit to the Secretary a State plan for enforcement of such standards.

(11) with respect to any State plan submitted on or after the expiration of the 5-year period beginning on December 27, 2000, provides for an installation program established by State law that meets the requirements of section 5404(c)(3) of this title;

The Secretary shall, on the basis of reports submitted by the designated State agency and his own inspections, make a continuing evaluation of the manner in which each State having a plan approved under this section is carrying out such plan. Such evaluation shall be made by the Secretary at least annually for each State, and the results of such evaluation and the inspection reports on which it is based shall be promptly submitted to the appropriate committees of the Congress. Whenever the Secretary finds, after affording due notice and opportunity for a hearing, that in the administration of the State plan there is a failure to comply substantially with any provision of the State plan or that the State plan has become inadequate, he shall notify the State agency or agencies of his withdrawal of approval of such plan. Upon receipt of such notice by such State agency or agencies such plan shall cease to be in effect, but the State may retain jurisdiction in any case commenced before the withdrawal of the plan in order to enforce manufactured home standards under the plan whenever the issues involved do not relate to the reasons for the withdrawal of the plan.

(g) Enforcement of dispute resolution standards

(1) Establishment of dispute resolution program

Not later than the expiration of the 5-year period beginning on December 27, 2000, the Secretary shall establish a dispute resolution program that meets the requirements of subsection (c)(12) of this section for dispute resolution in each State described in paragraph (2) of this subsection.
