CODIFICATION

Section, which consisted of the matter under the heading "Exploration of National Petroleum Reserve in Alaska" in title I of Pub. L. 96-514, as amended, prior to being renumbered section 107 of Pub. L. 94-258, was formerly classified to section 6508 of this title.

AMENDMENTS

L. 109-58, §347(b)(2) to (7), were executed by disregarding the second set of closed quotation marks in each such paragraph to reflect the probable intent of Congress. Prior to amendment, text related to competitive leasing of oil and gas and consisted of four undesignated pars.

1997—Pub. L. 105-83, in first par., substituted cls. (8) to (11) and two concluding provisos for "(8) each lease shall be issued for an initial period of up to ten years, and shall be extended for so long thereafter as oil or gas is produced from the lease in paying quantities, or as drilling or reworking operations, as approved by the Secretary, are conducted thereon; and (9) all receipts from sales, rentals, bonuses, and royalties on leases issued pursuant to this Act shall be paid into the Treasury of the United States: *Provided*, That 50 per centum thereof shall be paid by the Secretary of the Treasury semiannually, as soon as practicable after March 30 and September 30 each year, to the State of Alaska for (a) planning, (b) construction, maintenance, and operation of essential public facilities, and (c) other necessary provisions of public service: *Provided further*, That in the allocation of such funds, the State shall give priority to use by subdivisions of the State most directly or severely impacted by development of oil and gas leased under this Act."

1984—Pub. L. 98-620 struck out provision in third par. that required that any proceeding on such action be assigned for hearing at the earliest possible date and be expedited by the Court.

EFFECTIVE DATE OF 1984 AMENDMENT

Amendment by Pub. L. 98-620 not applicable to cases pending on Nov. 8, 1984, see section 403 of Pub. L. 98-620, set out as an Effective Date note under section 1657 of Title 28, Judiciary and Judicial Procedure.

**§ 6507. Authorization of appropriations; Federal financial assistance for increased municipal services and facilities in communities located on or near reserve resulting from authorized exploration and study activities**

(a) There are authorized to be appropriated to the Department of the Interior such sums as may be necessary to carry out the provisions of this chapter.

(b) If the Secretary of the Interior determines that there is an immediate and substantial increase in the need for municipal services and facilities in communities located on or near the reserve as a direct result of the exploration and study activities authorized by this chapter and that an unfair and excessive financial burden will be incurred by such communities as a result of the increased need for such services and facilities, then he is authorized to assist such communities in meeting the costs of providing increased municipal services and facilities. The Secretary of the Interior shall carry out the provisions of this section through existing Federal programs and he shall consult with the heads of the departments or agencies of the Federal Government concerned with the type of services and facilities for which financial assistance is being made available.
