

SUBCHAPTER IV—FEDERAL COORDINATING COUNCIL FOR SCIENCE, ENGINEERING, AND TECHNOLOGY

**§ 6651. Establishment, membership, and functions of Council**

**(a) Designation**

There is established the Federal Coordinating Council for Science, Engineering, and Technology (hereinafter referred to as the “Council”).

**(b) Composition**

The Council shall be composed of the Director of the Office of Science and Technology Policy and one representative of each of the following Federal agencies: Department of Agriculture, Department of Commerce, Department of Defense, Department of Health and Human Services, Department of Housing and Urban Development, Department of the Interior, Department of State, Department of Transportation, Department of Veterans Affairs, National Aeronautics and Space Administration, National Science Foundation, Environmental Protection Agency, and Department of Energy. Each such representative shall be an official of policy rank designated by the head of the Federal agency concerned.

**(c) Chairman**

The Director of the Office of Science and Technology Policy shall serve as Chairman of the Council. The Chairman may designate another member of the Council to act temporarily in the Chairman’s absence as Chairman.

**(d) Participation of unnamed Federal agencies in meetings; invitations to attend meetings**

The Chairman may (1) request the head of any Federal agency not named in subsection (b) of this section to designate a representative to participate in meetings or parts of meetings of the Council concerned with matters of substantial interest to such agency, and (2) invite other persons to attend meetings of the Council.

**(e) Consideration of problems and developments affecting more than one Federal agency; recommendations**

The Council shall consider problems and developments in the fields of science, engineering, and technology and related activities affecting more than one Federal agency, and shall recommend policies and other measures designed to—

- (1) provide more effective planning and administration of Federal scientific, engineering, and technological programs,
- (2) identify research needs including areas requiring additional emphasis,
- (3) achieve more effective utilization of the scientific, engineering, and technological resources and facilities of Federal agencies, including the elimination of unwarranted duplication, and
- (4) further international cooperation in science, engineering, and technology.

**(f) Other advisory duties**

The Council shall perform such other related advisory duties as shall be assigned by the President or by the Chairman.

**(g) Assistance to Council by agency represented thereon**

For the purpose of carrying out the provisions of this section, each Federal agency represented on the Council shall furnish necessary assistance to the Council. Such assistance may include—

- (1) detailing employees to the Council to perform such functions, consistent with the purposes of this section, as the Chairman may assign to them, and
- (2) undertaking, upon request of the Chairman, such special studies for the Council as come within the functions herein assigned.

**(h) Establishment of subcommittees and panels**

For the purpose of conducting studies and making reports as directed by the Chairman, standing subcommittees and panels of the Council may be established.

L. 104-127, title VIII, §851, Apr. 4, 1996, 110 Stat. 1171.)

AMENDMENTS

1996—Subsec. (h). Pub. L. 104-127 struck out after first sentence “Among such standing subcommittees and panels of the Council shall be the Subcommittee on Food, Agricultural, and Forestry Research. This subcommittee shall review Federal research and development programs relevant to domestic and world food and fiber production and distribution, promote planning and coordination of this research in the Federal Government, and recommend policies and other measures concerning the food and agricultural sciences for the consideration of the Council. The subcommittee shall include, but not be limited to, representatives of each of the following departments or agencies; the Department of Agriculture, the Department of State, the Department of Defense, the Department of the Interior, the Department of Health and Human Services, the National Oceanic and Atmospheric Administration, the Department of Energy, the National Science Foundation, the Environmental Protection Agency, and the Tennessee Valley Authority. The principal representatives of the Department of Agriculture shall serve as the chairman of the subcommittee.”

1991—Subsec. (b). Pub. L. 102-54 substituted “Department of Veterans Affairs” for “Veterans’ Administration”.

1981—Subsec. (h). Pub. L. 97-98 substituted “Subcommittee on Food, Agricultural, and Forestry Research” for “Subcommittee on Food and Renewable Resources”, “Department of Health and Human Services” for “Department of Health, Education, and Welfare”, and “Department of Energy” for “Energy Research and Development Administration”.

1977—Subsec. (h). Pub. L. 95-113 inserted provisions relating to Subcommittee on Food and Renewable Resources.

EFFECTIVE DATE OF 1981 AMENDMENT

Amendment by Pub. L. 97-98 effective Dec. 22, 1981, see section 1801 of Pub. L. 97-98, set out as an Effective Date note under section 4301 of Title 7, Agriculture.

EFFECTIVE DATE OF 1977 AMENDMENT

Amendment by Pub. L. 95-113 effective Oct. 1, 1977, see section 1901 of Pub. L. 95-113, set out as a note under section 1307 of Title 7, Agriculture.

## TRANSFER OF FUNCTIONS

“Department of Energy” substituted for “Energy Research and Development Administration” in subsec. (b) pursuant to sections 301(a), 703, and 707 of Pub. L. 95-91, which are classified to sections 7151(a), 7293, and 7297 of this title and which terminated Energy Research and Development Administration and transferred its functions (with certain exceptions) to Secretary of Energy.

## ABOLITION OF FEDERAL COORDINATING COUNCIL FOR SCIENCE, ENGINEERING, AND TECHNOLOGY; TRANSFER OF FUNCTIONS

The Federal Coordinating Council for Science, Engineering, and Technology, established pursuant to this section, was abolished and its functions transferred to the President by Reorg. Plan No. 1 of 1977, §5A, 42 F.R. 56101, 91 Stat. 1634, set out in the Appendix to Title 5, Government Organization and Employees, effective Feb. 26, 1978, as provided by section 1(b) of Ex. Ord. No. 12039, Feb. 24, 1978, 43 F.R. 8095, set out under section 6601 of this title.

## § 6686. Science and Technology Policy Institute

## (a) Establishment

There shall be established a federally funded research and development center to be known as the “Science and Technology Policy Institute” (hereinafter in this section referred to as the “Institute”).

## (b) Incorporation

The Institute shall be—

- (1) administered as a separate entity by an organization currently managing another federally funded research and development center; or
- (2) incorporated as a nonprofit membership corporation.

## (c) Duties

The duties of the Institute shall include the following:

(1) The assembly of timely and authoritative information regarding significant developments and trends in science and technology research and development in the United States and abroad, including information relating to the technologies identified in the most recent biennial report submitted to Congress by the President pursuant to section 6683(d)<sup>1</sup> of this title and developing and maintaining relevant informational and analytical tools.

(2) Analysis and interpretation of the information referred to in paragraph (1) with particular attention to the scope and content of the Federal science and technology research and development portfolio as it affects interagency and national issues.

(3) Initiation of studies and analysis of alternatives available for ensuring the long-term strength of the United States in the development and application of science and technology, including appropriate roles for the Federal Government, State governments, private industry, and institutions of higher education in the development and application of science and technology.

(4) Provision, upon the request of the Director of the Office of Science and Technology Policy, of technical support and assistance—

(A) to the committees and panels of the President’s Council of Advisers on Science and Technology that provide advice to the Executive branch on science and technology policy; and

(B) to the interagency committees and panels of the Federal Government concerned with science and technology.

## (d) Consultation on Institute activities

In carrying out the duties referred to in subsection (c) of this section, personnel of the Institute shall—
