§ 1437aaa-3. Homeownership program requirements

(a) In general

A homeownership program under this subchapter shall provide for acquisition by eligible families of ownership interests in, or shares representing, at least one-half of the units in a public housing project under any arrangement determined by the Secretary to be appropriate, such as cooperative ownership (including limited equity cooperative ownership) and fee simple ownership (including condominium ownership), for occupancy by the eligible families.

(b) Affordability

A homeownership program under this subchapter shall provide for the establishment of

sales prices (including principal, insurance, taxes, and interest and closing costs) for initial acquisition of the property from the public housing agency if the applicant is not a public housing agency, and for sales to eligible families, such that an eligible family shall not be required to expend more than 30 percent of the adjusted income of the family per month to complete a sale under the homeownership program.

(c) Plan

A homeownership program under this subchapter shall provide, and include a plan, for—

(1) identifying and selecting eligible families to participate in the homeownership program;

(e) Financing

(1) In general

The application shall identify and describe the proposed financing for (A) any rehabilitation, and (B) acquisition (i) of the project, where applicable, by an entity other than the public housing agency for transfer to eligible families, and (ii) by eligible families of ownership interests in, or shares representing, units in the project. (2) Prohibition against pledges

Property transferred under this subchapter shall not be pledged as collateral for debt or otherwise encumbered except when the Secretary determines that—

(A) such encumbrance will not threaten the long-term availability of the property for occupancy by low-income families;

(B) neither the Federal Government nor the public housing agency will be exposed to undue risks related to action that may have to be taken pursuant to paragraph (3);

(C) any debt obligation can be serviced from project income, including operating assistance; and

(D) the proceeds of such encumbrance will be used only to meet housing standards in
