

(G) such other factors as the Administrator determines to be necessary to carry out this section.

(b) State programs

(1) In general

Not later than 2 years after the date on which the Administrator publishes the guidelines under subsection (a)(1) of this section, each State that receives funding under this subchapter shall develop State-specific training requirements that are consistent with the guidelines developed under subsection (a)(1) of this section.

(2) Requirements

State requirements described in paragraph (1) shall—

- (A) be consistent with subsection (a) of this section;
- (B) be developed in cooperation with tank owners and tank operators;
- (C) take into consideration training programs implemented by tank owners and tank operators as of August 8, 2005; and
- (D) be appropriately communicated to tank owners and operators.

(3) Financial incentive

The Administrator may award to a State that develops and implements requirements described in paragraph (1), in addition to any funds that the State is entitled to receive under this subchapter, not more than \$200,000, to be used to carry out the requirements.

(c) Training

All persons that are subject to the operator training requirements of subsection (a) of this section shall—

- (1) meet the training requirements developed under subsection (b) of this section; and
- (2) repeat the applicable requirements developed under subsection (b) of this section, if the tank for which they have primary daily on-site management responsibilities is determined to be out of compliance with—
 - (A) a requirement or standard promulgated by the Administrator under section 6991b of this title; or
 - (B) a requirement or standard of a State program approved under section 6991c of this title.

§ 6991k. Delivery prohibition

(a) Requirements

(1) Prohibition of delivery or deposit

Beginning 2 years after August 8, 2005, it shall be unlawful to deliver to, deposit into, or accept a regulated substance into an underground storage tank at a facility which has been identified by the Administrator or a State implementing agency to be ineligible for such delivery, deposit, or acceptance.

(2) Guidance

Within 1 year after August 8, 2005, the Administrator shall, in consultation with the States, underground storage tank owners, and product delivery industries, publish guidelines detailing the specific processes and procedures they will use to implement the provisions of this section. The processes and procedures include, at a minimum—

- (A) the criteria for determining which underground storage tank facilities are ineligible for delivery, deposit, or acceptance of a regulated substance;
- (B) the mechanisms for identifying which facilities are ineligible for delivery, deposit, or acceptance of a regulated substance to the underground storage tank owning and fuel delivery industries;
- (C) the process for reclassifying ineligible facilities as eligible for delivery, deposit, or acceptance of a regulated substance;
- (D) one or more processes for providing adequate notice to underground storage tank owners and operators and supplier industries that an underground storage tank has been determined to be ineligible for delivery, deposit, or acceptance of a regulated substance; and
- (E) a delineation of, or a process for determining, the specified geographic areas subject to paragraph (4).

(3) Compliance

States that receive funding under this subchapter shall, at a minimum, comply with the processes and procedures published under paragraph (2).

(4) Consideration

(A) Rural and remote areas

Subject to subparagraph (B), the Administrator or a State may consider not treating
