Such fee shall be fixed by the Archivist at a level which will recover, so far as practicable, all elements of such costs, and may, in the Archivist’s discretion, include increments for the estimated replacement cost of equipment. Such fees shall be paid into, administered, and expended as a part of the National Archives Trust Fund. The Archivist may not charge for making or authenticating copies or reproductions of materials for official use by the United States Government unless appropriations available to the Archivist for this purpose are insufficient to cover the cost of performing the work.
