EFFECTIVE DATE OF 1984 AMENDMENT

Amendment by Pub. L. 98-497 effective Apr. 1, 1985, see section 301 of Pub. L. 98-497, set out as a note under section 2102 of this title.

§ 3303a. Examination by Archivist of lists and schedules of records lacking preservation value; disposal of records

(a) The Archivist shall examine the lists and schedules submitted to him under section 3303 of this title. If the Archivist determines that any of the records listed in a list or schedule submitted to him do not, or will not after the lapse of the period specified, have sufficient administrative, legal, research, or other value to warrant their continued preservation by the Government, he may, after publication of notice in the Federal Register and an opportunity for interested persons to submit comment thereon—

(1) notify the agency to that effect; and

(2) empower the agency to dispose of those records in accordance with regulations promulgated under section 3302 of this title.

(b) Authorizations granted under lists and schedules submitted to the Archivist under section 3303 of this title, and schedules promulgated by the Archivist under subsection (d) of this section, shall be mandatory, subject to section 2909 of this title. As between an authorization granted under lists and schedules submitted to the Archivist under section 3303 of this title and an authorization contained in a schedule promulgated under subsection (d) of this section, application of the authorization providing for the shorter retention period shall be required, subject to section 2909 of this title.

(c) The Archivist may request advice and counsel from the Committee on Rules and Administration of the Senate and the Committee on House Oversight of the House of Representatives with respect to the disposal of any particular records under this chapter whenever he considers that—

(1) those particular records may be of special interest to the Congress; or

(2) consultation with the Congress regarding the disposal of those particular records is in the public interest.

However, this subsection does not require the Archivist to request such advice and counsel as a regular procedure in the general disposal of records under this chapter.

(d) The Archivist shall promulgate schedules authorizing the disposal, after the lapse of specified periods of time, of records of a specified form or character common to several or all agencies if such records will not, at the end of the periods specified, have sufficient administrative, legal, research, or other value to warrant their further preservation by the United States Government.

(e) The Archivist may approve and effect the disposal of records that are in his legal custody, provided that records that had been in the custody of another existing agency may not be disposed of without the written consent of the head of the agency.
