

(2) Eligible facilities request

For purposes of this subsection, the term “eligible facilities request” means any request for modification of an existing wireless tower or base station that involves—

- (A) collocation of new transmission equipment;
- (B) removal of transmission equipment; or
- (C) replacement of transmission equipment.

(3) Applicability of environmental laws

Nothing in paragraph (1) shall be construed to relieve the Commission from the requirements of the National Historic Preservation Act or the National Environmental Policy Act of 1969.

(b) Federal easements and rights-of-way**(1) Grant**

If an executive agency, a State, a political subdivision or agency of a State, or a person, firm, or organization applies for the grant of an easement or right-of-way to, in, over, or on a building or other property owned by the Federal Government for the right to install, construct, and maintain wireless service antenna structures and equipment and backhaul transmission equipment, the executive agency having control of the building or other property may grant to the applicant, on behalf of the Federal Government, an easement or right-of-way to perform such installation, construction, and maintenance.

(2) Application

The Administrator of General Services shall develop a common form for applications for easements and rights-of-way under paragraph (1) for all executive agencies that shall be used by applicants with respect to the buildings or other property of each such agency.

(3) Fee**(A) In general**

Notwithstanding any other provision of law, the Administrator of General Services shall establish a fee for the grant of an easement or right-of-way pursuant to paragraph (1) that is based on direct cost recovery.

(B) Exceptions

The Administrator of General Services may establish exceptions to the fee amount required under subparagraph (A)—

- (i) in consideration of the public benefit provided by a grant of an easement or right-of-way; and
- (ii) in the interest of expanding wireless and broadband coverage.

(4) Use of fees collected

Any fee amounts collected by an executive agency pursuant to paragraph (3) may be made available, as provided in appropriations Acts, to such agency to cover the costs of granting the easement or right-of-way.

(c) Master contracts for wireless facility sitings**(1) In general**

Notwithstanding section 704 of the Telecommunications Act of 1996 or any other pro-

vision of law, and not later than 60 days after February 22, 2012, the Administrator of General Services shall—

(A) develop 1 or more master contracts that shall govern the placement of wireless service antenna structures on buildings and other property owned by the Federal Government; and

(B) in developing the master contract or contracts, standardize the treatment of the placement of wireless service antenna structures on building rooftops or facades, the placement of wireless service antenna equipment on rooftops or inside buildings, the technology used in connection with wireless service antenna structures or equipment placed on Federal buildings and other property, and any other key issues the Administrator of General Services considers appropriate.

(2) Applicability

The master contract or contracts developed by the Administrator of General Services under paragraph (1) shall apply to all publicly accessible buildings and other property owned by the Federal Government, unless the Administrator of General Services decides that issues with respect to the siting of a wireless service antenna structure on a specific building or other property warrant nonstandard treatment of such building or other property.

(3) Application

The Administrator of General Services shall develop a common form or set of forms for wireless service antenna structure siting applications under this subsection for all executive agencies that shall be used by applicants with respect to the buildings and other property of each such agency.

(d) Executive agency defined

In this section, the term “executive agency” has the meaning given such term in section 102 of title 40.

(a) Establishment of Public Safety Trust Fund

(1) In general

There is established in the Treasury of the United States a trust fund to be known as the Public Safety Trust Fund.

(2) Availability

Amounts deposited in the Public Safety Trust Fund shall remain available through fiscal year 2022. Any amounts remaining in the Fund after the end of such fiscal year shall be deposited in the general fund of the Treasury, where such amounts shall be dedicated for the sole purpose of deficit reduction.

(b) Use of Fund

As amounts are deposited in the Public Safety Trust Fund, such amounts shall be used to make the following deposits or payments in the following order of priority:

(1) Repayment of amount borrowed for First Responder Network Authority

An amount not to exceed \$2,000,000,000 shall be available to the NTIA to reimburse the general fund of the Treasury for any amounts borrowed under section 1427 of this title.

(2) State and Local Implementation Fund

\$135,000,000 shall be deposited in the State and Local Implementation Fund established by section 1441 of this title.

(3) Buildout by First Responder Network Authority

\$7,000,000,000, reduced by the amount borrowed under section 1427 of this title, shall be deposited in the Network Construction Fund established by section 1426 of this title.

(4) Public safety research

\$100,000,000 shall be available to the Director of NIST to carry out section 1443 of this title.

(5) Deficit reduction

\$20,400,000,000 shall be deposited in the general fund of the Treasury, where such amount shall be dedicated for the sole purpose of deficit reduction.

(6) 9-1-1, E9-1-1, and Next Generation 9-1-1 implementation grants

\$115,000,000 shall be available to the Assistant Secretary and the Administrator of the National Highway Traffic Safety Administration to carry out the grant program under section 942 of this title.

(7) Additional public safety research

\$200,000,000 shall be available to the Director of NIST to carry out section 1443 of this title.

(8) Additional deficit reduction

Any remaining amounts deposited in the Public Safety Trust Fund shall be deposited in

the general fund of the Treasury, where such amounts shall be dedicated for the sole purpose of deficit reduction.

(c) Investment

Amounts in the Public Safety Trust Fund shall be invested in accordance with section 9702 of title 31, and any interest on, and proceeds from, any such investment shall be credited to, and become a part of, the Fund.
