

§ 353. Toxicological testing of officers and employees

(a) COLLECTING SPECIMENS.—When the Secretary of Transportation or the head of a component of the Department of Transportation conducts post-accident or post-incident toxicological testing of an officer or employee of the Department, the Secretary or head shall collect the specimen from the officer or employee as soon as practicable after the accident or incident. The Secretary or head shall try to collect the specimen not later than 4 hours after the accident or incident.

(b) REPORTS.—The head of each component shall submit a report to the Secretary on the circumstances about the amount of time required to collect the specimen for a toxicological test conducted on an officer or employee who is reasonably associated with the circumstances of an accident or incident under the investigative jurisdiction of the National Transportation Safety Board.

(c) NONCOMPLIANCE NOT A DEFENSE.—An officer or employee required to submit to toxicological testing may not assert failure to comply with this section as a claim, cause of action, or defense in an administrative or judicial proceeding.

HISTORICAL AND REVISION NOTES

Revised Section	Source (U.S. Code)	Source (Statutes at Large)
353	49 App.:1657-1.	Nov. 28, 1990, Pub. L. 101-641, § 5, 104 Stat. 4656.

In this section, the words “officer or employee” are substituted for “employee” for clarity and consistency in the revised title and with other titles of the United States Code.

In subsection (a), the words “Secretary of Transportation or the head of a component of the Department of Transportation” are substituted for “Department of Transportation, including any of its agencies” for consistency in the revised title and with other titles of the Code.

In subsection (b), the word “Secretary” is substituted for “Office of the Secretary of Transportation” for consistency in the revised title and with other titles of the Code. The words “within that agency” are omitted as unnecessary.

In subsection (c), the words “An officer or employee required to submit to toxicological testing may not assert” are substituted for “may not be asserted” for clarity.

§ 354. Investigative authority of Inspector General

(a) IN GENERAL.—The statutory authority of the Inspector General of the Department of Transportation includes authority to conduct, pursuant to Federal criminal statutes, investigations of allegations that a person or entity has engaged in fraudulent or other criminal activity relating to the programs and operations of the Department or its operating administrations.

(b) REGULATED ENTITIES.—The authority to conduct investigations referred to in subsection (a) extends to any person or entity subject to the laws and regulations of the Department or

its operating administrations, whether or not they are recipients of funds from the Department or its operating administrations.
