

trator [of the Federal Aviation Administration] shall issue a notice of proposed rulemaking on implementing section 44706(a)(2) of title 49, United States Code, relating to issuance of airport operating certificates for small scheduled passenger air carrier operations. Not later than 1 year after the last day of the period for public comment provided for in the notice of proposed rulemaking, the Administrator shall issue a final rule on implementing such program.”

§ 44707. Examining and rating air agencies

The Administrator of the Federal Aviation Administration may examine and rate the following air agencies:

(1) civilian schools giving instruction in flying or repairing, altering, and maintaining aircraft, aircraft engines, propellers, and appliances, on the adequacy of instruction, the suitability and airworthiness of equipment, and the competency of instructors.

(2) repair stations and shops that repair, alter, and maintain aircraft, aircraft engines, propellers, and appliances, on the adequacy and suitability of the equipment, facilities, and materials for, and methods of, repair and overhaul, and the competency of the individuals doing the work or giving instruction in the work.

(3) other air agencies the Administrator decides are necessary in the public interest.

AIRCRAFT REPAIR AND MAINTENANCE ADVISORY PANEL

Pub. L. 106-181, title VII, §734, Apr. 5, 2000, 114 Stat. 170, provided that:

“(a) ESTABLISHMENT OF PANEL.—The Administrator [of the Federal Aviation Administration]—

“(1) shall establish an aircraft repair and maintenance advisory panel to review issues related to the use and oversight of aircraft and aviation component repair and maintenance facilities (in this section referred to as ‘aircraft repair facilities’) located within, or outside of, the United States; and

“(2) may seek the advice of the panel on any issue related to methods to increase safety by improving the oversight of aircraft repair facilities.

“(b) MEMBERSHIP.—The panel shall consist of—

“(1) nine members appointed by the Administrator as follows:

“(A) three representatives of labor organizations representing aviation mechanics;

“(B) one representative of cargo air carriers;

“(C) one representative of passenger air carriers;

“(D) one representative of aircraft repair facilities;

“(E) one representative of aircraft manufacturers;

“(F) one representative of on-demand passenger air carriers and corporate aircraft operations; and

“(G) one representative of regional passenger air carriers;

“(2) one representative from the Department of Commerce, designated by the Secretary of Commerce;

“(3) one representative from the Department of State, designated by the Secretary of State; and

“(4) one representative from the Federal Aviation Administration, designated by the Administrator.

“(c) RESPONSIBILITIES.—The panel shall—

“(1) determine the amount and type of work that is being performed by aircraft repair facilities located within, and outside of, the United States; and

“(2) provide advice and counsel to the Secretary [of Transportation] with respect to the aircraft and aviation component repair work performed by aircraft repair facilities and air carriers, staffing needs, and any balance of trade or safety issues associated with that work.

“(d) DOT TO REQUEST INFORMATION FROM AIR CARRIERS AND REPAIR FACILITIES.—

“(1) COLLECTION OF INFORMATION.—The Secretary, by regulation, shall require air carriers, foreign air carriers, domestic repair facilities, and foreign repair facilities to submit such information as the Secretary may require in order to assess balance of trade and safety issues with respect to work performed on aircraft used by air carriers, foreign air carriers, United States corporate operators, and foreign corporate operators.

“(2) DRUG AND ALCOHOL TESTING INFORMATION.—Included in the information the Secretary requires under paragraph (1) shall be information on the existence and administration of employee drug and alcohol testing programs in place at the foreign repair facilities, if applicable. The Secretary, if necessary, shall work with the International Civil Aviation Organization to increase the number and improve the administration of employee drug and alcohol testing programs at the foreign repair facilities.

“(3) DESCRIPTION OF WORK DONE.—Included in the information the Secretary requires under paragraph (1) shall be information on the amount and type of work performed on aircraft registered in and outside of the United States.

“(e) DOT TO FACILITATE COLLECTION OF INFORMATION ABOUT AIRCRAFT MAINTENANCE.—The Secretary shall facilitate the collection of information from the National Transportation Safety Board, the Federal Aviation Administration, and other appropriate agencies regarding maintenance performed by aircraft repair facilities.

“(f) DOT TO MAKE INFORMATION AVAILABLE TO PUBLIC.—The Secretary shall make any relevant information received under subsection (d) available to the public, consistent with the authority to withhold trade secrets or commercial, financial, and other proprietary information under section 552 of title 5, United States Code.

“(g) TERMINATION.—The panel established under subsection (a) shall terminate on the earlier of—

“(1) the date that is 2 years after the date of the enactment of this Act [Apr. 5, 2000]; or

“(2) December 31, 2001.

“(h) DEFINITIONS.—The definitions contained in section 40102 of title 49, United States Code, shall apply to this section.”

§ 44708. Inspecting and rating air navigation facilities

The Administrator of the Federal Aviation Administration may inspect, classify, and rate an air navigation facility available for the use of civil aircraft on the suitability of the facility for that use.

The word “Administrator” in section 606 (1st sentence) of the Federal Aviation Act of 1958 (Public Law 85-726, 72 Stat. 779) is retained on authority of 49:106(g).

§ 44709. Amendments, modifications, suspensions, and revocations of certificates

(a) REINSPECTION AND REEXAMINATION.—The Administrator of the Federal Aviation Administration may reinspect at any time a civil aircraft, aircraft engine, propeller, appliance, design organization, production certificate holder, air navigation facility, or air agency, or reexamine an airman holding a certificate issued under section 44703 of this title.

(b) ACTIONS OF THE ADMINISTRATOR.—The Administrator may issue an order amending, modifying, suspending, or revoking—

(1) any part of a certificate issued under this chapter if—

(A) the Administrator decides after conducting a reinspection, reexamination, or other investigation that safety in air commerce or air transportation and the public interest require that action; or

(B) the holder of the certificate has violated an aircraft noise or sonic boom standard or regulation prescribed under section 44715(a) of this title; and

(2) an airman certificate when the holder of the certificate is convicted of violating section 13(a) of the Fish and Wildlife Act of 1956 (16 U.S.C. 742j-1(a)).

(c) ADVICE TO CERTIFICATE HOLDERS AND OPPORTUNITY TO ANSWER.—Before acting under subsection (b) of this section, the Administrator shall advise the holder of the certificate of the charges or other reasons on which the Administrator relies for the proposed action. Except in an emergency, the Administrator shall provide the holder an opportunity to answer the charges and be heard why the certificate should not be amended, modified, suspended, or revoked.

(d) APPEALS.—(1) A person adversely affected by an order of the Administrator under this section may appeal the order to the National Transportation Safety Board. After notice and an opportunity for a hearing, the Board may amend, modify, or reverse the order when the Board finds—

(A) if the order was issued under subsection (b)(1)(A) of this section, that safety in air commerce or air transportation and the public interest do not require affirmation of the order; or

(B) if the order was issued under subsection (b)(1)(B) of this section—

(i) that control or abatement of aircraft noise or sonic boom and the public health and welfare do not require affirmation of the order; or

(ii) the order, as it is related to a violation of aircraft noise or sonic boom standards and

regulations, is not consistent with safety in air commerce or air transportation.

(2) The Board may modify a suspension or revocation of a certificate to imposition of a civil penalty.

(3) When conducting a hearing under this subsection, the Board is not bound by findings of fact of the Administrator.

(e) EFFECTIVENESS OF ORDERS PENDING APPEAL.—

(1) IN GENERAL.—When a person files an appeal with the Board under subsection (d), the order of the Administrator is stayed.

(2) EXCEPTION.—Notwithstanding paragraph (1), the order of the Administrator is effective immediately if the Administrator advises the Board that an emergency exists and safety in air commerce or air transportation requires the order to be effective immediately.

(3) REVIEW OF EMERGENCY ORDER.—A person affected by the immediate effectiveness of the Administrator’s order under paragraph (2) may petition for a review by the Board, under procedures promulgated by the Board, of the Administrator’s determination that an emergency exists. Any such review shall be requested not later than 48 hours after the order is received by the person. If the Board finds that an emergency does not exist that requires the immediate application of the order in the interest of safety in air commerce or air transportation, the order shall be stayed, notwithstanding paragraph (2). The Board shall dispose of a review request under this paragraph not later than 5 days after the date on which the request is filed.

(4) FINAL DISPOSITION.—The Board shall make a final disposition of an appeal under subsection (d) not later than 60 days after the date on which the appeal is filed.

(f) JUDICIAL REVIEW.—A person substantially affected by an order of the Board under this section, or the Administrator when the Administrator decides that an order of the Board under this section will have a significant adverse impact on carrying out this part, may obtain judicial review of the order under section 46110 of this title. The Administrator shall be made a party to the judicial review proceedings. Findings of fact of the Board are conclusive if supported by substantial evidence.
