The United States renounces, as a matter of national policy, first use of herbicides in war except use, under regulations applicable to their domestic use, for control of vegetation within U.S. bases and installations or around their immediate defensive perimeters, and first use of riot control agents in war except in defensive military modes to save lives such as:

(a) Use of riot control agents in riot control situations in areas under direct and distinct U.S. military control, to include controlling rioting prisoners of war.

(b) Use of riot control agents in situations in which civilians are used to mask or screen attacks and civilian casualties can be reduced or avoided.

(c) Use of riot control agents in rescue missions in remotely isolated areas, of downed aircrews and passengers, and escaping prisoners.

(d) Use of riot control agents in rear echelon areas outside the zone of immediate combat to protect convoys from civil disturbances, terrorists and paramilitary organizations.

I have determined that the provisions and procedures prescribed by this Order are necessary to ensure proper implementation and observance of such national policy

icy. NOW, THEREFORE, by virtue of the authority vested in me as President of the United States of America by the Constitution and laws of the United States and as Commander-in-Chief of the Armed Forces of the United States, it is hereby ordered as follows:

SECTION 1. The Secretary of Defense shall take all

SECTION 1. The Secretary of Defense shall take all necessary measures to ensure that the use by the Armed Forces of the United States of any riot control agents and chemical herbicides in war is prohibited unless such use has Presidential approval, in advance.

SEC. 2. The Secretary of Defense shall prescribe the rules and regulations he deems necessary to ensure that the national policy herein announced shall be observed by the Armed Forces of the United States.

GERALD R. FORD.

#### § 1512a. Transportation of chemical munitions

## (a) Prohibition of transportation across State lines

The Secretary of Defense may not transport any chemical munition that constitutes part of the chemical weapons stockpile out of the State in which that munition is located on October 5, 1994, and, in the case of any such chemical munition not located in a State on October 5, 1994, may not transport any such munition into a State.

# (b) Transportation of chemical munitions not in chemical weapons stockpile

In the case of any chemical munitions that are discovered or otherwise come within the control of the Department of Defense and that do not constitute part of the chemical weapons stockpile, the Secretary of Defense may transport such munitions to the nearest chemical munitions stockpile storage facility that has necessary permits for receiving and storing such items if the transportation of such munitions to that facility—

- (1) is considered by the Secretary of Defense to be necessary; and
- (2) can be accomplished while protecting public health and safety.

#### CODIFICATION

Section was enacted as part of the National Defense Authorization Act for Fiscal Year 1995, and not as part of Pub. L. 91–121, title IV, §409, Nov. 19, 1969, 83 Stat. 209, which comprises this chapter.

### § 1513. Deployment, storage, and disposal; notification to host country and Congress; international law violations; reports to Congress and international organizations

- (1) None of the funds authorized to be appropriated by this Act or any other Act may be used for the future deployment, storage, or disposal, at any place outside the United States of—
  - (A) any lethal chemical or any biological warfare agent, or
- (B) any delivery system specifically designed to disseminate any such agent,

unless prior notice of such deployment, storage, or disposal has been given to the country exercising jurisdiction over such place. In the case of any place outside the United States which is under the jurisdiction or control of the United States Government, no such action may be taken unless the Secretary gives prior notice of such action to the President of the Senate and the Speaker of the House of Representatives. As used in this paragraph, the term "United States" means the several States and the District of Columbia.

(2) None of the funds authorized by this Act or any other Act shall be used for the future testing, development, transportation, storage, or disposal of any lethal chemical or any biological warfare agent outside the United States, or for the disposal of any munitions in international waters, if the Secretary of State, after appropriate notice by the Secretary whenever any such action is contemplated, determines that such testing, development, transportation, storage, or disposal will violate international law. The Secretary of State shall report all determinations made by him under this paragraph to the President of the Senate and the Speaker of the House of Representatives, and to all appropriate international organizations, or organs thereof, in the event such report is required by treaty or other international agreement.

(Pub. L. 91–121, title IV, §409(c), Nov. 19, 1969, 83 Stat. 210; Pub. L. 91–441, title V, §506(b)(2), (3), Oct. 7, 1970, 84 Stat. 912.)

### References in Text

This Act, referred to in pars. (1) and (2), means Pub. L. 91–121, Nov. 19, 1969, 83 Stat. 204, as amended. Provisions authorizing the appropriation of funds are not classified to the Code. For complete classification of this Act to the Code, see Tables.

#### AMENDMENTS

1970—Par. (1). Pub. L. 91-441, §506(b)(2), inserted reference to disposal of lethal chemical or biological warfare agents or delivery systems for such agents.

Par. (2). Pub. L. 91–441, \$506(b)(3), inserted reference to disposal of munitions in international waters.

### WITHDRAWAL OF EUROPEAN CHEMICAL STOCKPILE

Pub. L. 100–180, div. A, title I, §126, Dec. 4, 1987, 101 Stat. 1044, provided that: "Chemical munitions of the United States stored in Europe on the date of the enactment of this Act [Dec. 4, 1987] should not be removed from Europe unless such munitions are replaced contemporaneously with binary chemical munitions stationed on the soil of at least one European member nation of the North Atlantic Treaty Organization."
