EX. ORD. NO. 13629. ESTABLISHING THE WHITE HOUSE HOMELAND SECURITY PARTNERSHIP COUNCIL

Ex. Ord. No. 13629, Oct. 26, 2012, 77 F.R. 66353, provided:

By the authority vested in me as President by the Constitution and the laws of the United States of America, and in order to advance the Federal Government’s use of local partnerships to address homeland security challenges, it is hereby ordered as follows:

SECTION 1. *Policy.* The purpose of this order is to maximize the Federal Government’s ability to develop local partnerships in the United States to support homeland security priorities. Partnerships are collaborative working relationships in which the goals, structure, and roles and responsibilities of the relationships are mutually determined. Collaboration enables the Federal Government and its partners to use resources more efficiently, build on one another’s expertise, drive innovation, engage in collective action, broaden investments to achieve shared goals, and improve performance. Partnerships enhance our ability to address homeland security priorities, from responding to natural disasters to preventing terrorism, by utilizing diverse perspectives, skills, tools, and resources.

The National Security Strategy emphasizes the importance of partnerships, underscoring that to keep our Nation safe “we must tap the ingenuity outside government through strategic partnerships with the private sector, nongovernmental organizations, foundations, and community-based organizations. Such partnerships are critical to U.S. success at home and abroad, and we will support them through enhanced opportunities for engagement, coordination, transparency, and information sharing.” This approach recognizes that, given the complexities and range of challenges, we must institutionalize an all-of-Nation effort to address the evolving threats to the United States.

SEC. 2. *White House Homeland Security Partnership Council and Steering Committee.*

(a) *White House Homeland Security Partnership Council.* There is established a White House Homeland Security Partnership Council (Council) to foster local partnerships—between the Federal Government and the private sector, nongovernmental organizations, foundations, community-based organizations, and State, local, tribal, and territorial government and law enforcement—to address homeland security challenges. The Council shall be chaired by the Assistant to the President for Homeland Security and Counterterrorism (Chair), or a designee from the National Security Staff.

(b) *Council Membership.*

(i) Pursuant to the nomination process established in subsection (b)(ii) of this section, the Council shall be composed of Federal officials who are from field offices of the executive departments, agencies, and bureaus (agencies) that are members of the Steering Committee established in subsection (c) of this section, and who have demonstrated an ability to develop, sustain, and institutionalize local partnerships to address policy priorities.
