

**§ 942. Post-incident resumption of trade****(a) In general**

The Secretary shall develop and update, as necessary, protocols for the resumption of trade in accordance with section 941(b)(10) of this title in the event of a transportation disruption or a transportation security incident. The protocols shall include—

- (1) the identification of the appropriate initial incident commander, if the Commandant of the Coast Guard is not the appropriate person, and lead departments, agencies, or offices to execute such protocols;
- (2) a plan to redeploy resources and personnel, as necessary, to reestablish the flow of trade;
- (3) a plan to provide training for the periodic instruction of personnel of the United States Customs and Border Protection, the Coast Guard, and the Transportation Security Administration in trade resumption functions and responsibilities; and
- (4) appropriate factors for establishing prioritization of vessels and cargo determined by the President to be critical for response and recovery, including factors relating to public health, national security, and economic need.

**(b) Vessels**

In determining the prioritization of vessels accessing facilities (as defined under section 70101 of title 46), the Commandant of the Coast Guard may, to the extent practicable and consistent with the protocols and plans required under this section to ensure the safe and secure transit of vessels to ports in the United States after a transportation security incident, give priority to a vessel—

- (1) that has an approved security plan under section 70103(c) of title 46 or a valid international ship security certificate, as provided under part 104 of title 33, Code of Federal Regulations;
- (2) that is manned by individuals who are described in section 70105(b)(2)(B) of title 46; and
- (3) that is operated by validated participants in the Customs-Trade Partnership Against Terrorism program.

**(c) Cargo**

In determining the prioritization of the resumption of the flow of cargo and consistent with the protocols established under this section, the Commissioner may give preference to cargo—

- (1) entering a port of entry directly from a foreign seaport designated under the Container Security Initiative;
- (2) from the supply chain of a validated C-TPAT participant and other private sector entities, as appropriate; or
- (3) that has undergone—
  - (A) a nuclear or radiological detection scan;
  - (B) an x-ray, density, or other imaging scan; and
  - (C) a system to positively identify the container at the last port of departure prior to arrival in the United States, which data has been evaluated and analyzed by personnel of the United States Customs and Border Protection.

**(d) Coordination**

The Secretary shall ensure that there is appropriate coordination among the Commandant of the Coast Guard, the Commissioner, and other Federal officials following a maritime disruption or maritime transportation security incident in order to provide for the resumption of trade.

**(e) Communication**

Consistent with section 941 of this title, the Commandant of the Coast Guard, Commissioner, and other appropriate Federal officials, shall promptly communicate any revised procedures or instructions intended for the private sector following a maritime disruption or maritime transportation security incident.

**§ 943. Automated Targeting System****(a) In general**

The Secretary, acting through the Commissioner, shall—

- (1) identify and seek the submission of data related to the movement of a shipment of cargo through the international supply chain; and
- (2) analyze the data described in paragraph (1) to identify high-risk cargo for inspection.

**(b) Requirement**

The Secretary, acting through the Commissioner, shall require the electronic transmission to the Department of additional data elements for improved high-risk targeting, including appropriate security elements of entry data, as determined by the Secretary, to be provided as advanced information with respect to cargo destined for importation into the United States prior to loading of such cargo on vessels at foreign seaports.

**(c) Consideration**

The Secretary, acting through the Commissioner, shall—

- (1) consider the cost, benefit, and feasibility of—
  - (A) requiring additional nonmanifest documentation;
  - (B) reducing the time period allowed by law for revisions to a container cargo manifest;
  - (C) reducing the time period allowed by law for submission of certain elements of entry data, for vessel or cargo; and
  - (D) such other actions the Secretary considers beneficial for improving the information relied upon for the Automated Targeting System and any successor targeting system in furthering the security and integrity of the international supply chain; and
- (2) consult with stakeholders, including the Commercial Operations Advisory Committee, and identify to them the need for such information, and the appropriate timing of its submission.

**(d) Regulations**

The Secretary shall promulgate regulations to carry out this section. In promulgating such
