(f) Authorization of appropriations; fees, late payment penalties, and accrued interest

(1) Notwithstanding paragraph (2), there are authorized to be appropriated such sums as may be necessary to carry out the provisions of this section. Unless otherwise specifically authorized or provided for in appropriations Acts, no part of such sums shall be used to pay the cost or value of property injured or destroyed.

¹ See Codification note below.

(2) The Secretary of Agriculture is authorized to prescribe and collect fees to recover the costs of providing for the inspection of plants and plant products offered for export or transiting the United States and certifying to shippers and interested parties as to the freedom of such plants and plant products from plant pests according to the phytosanitary requirements of the foreign countries to which such plants and plant products may be exported, or to the freedom from exposure to plant pests while in transit through the United States. The Secretary of Agriculture may, in case of nonpayment of the fees, late payment penalty, or accrued interest, after giving reasonable notice of default to the person liable for payment of such assessments, sell at public sale after reasonable public notice, or otherwise dispose of, any such plant or plant product upon which the Secretary of Agriculture has a lien pursuant to this section. If the sale proceeds exceed the fees due, any late payment penalty assessed, any accrued interest and the expenses of the sale, the excess shall be paid, in accordance with regulations of the Secretary of Agriculture, to the owner of the plant or plant product sold upon the owner making application therefore with proof of ownership, within six months after such sale, and otherwise the excess shall be credited to accounts that incur the costs and shall remain available until expended. The Secretary of Agriculture shall, pursuant to regulations as prescribed by the Secretary of Agriculture, suspend performance of services to persons who have failed to pay such fees, late payment penalty and accrued interest.
