§ 428b. Wheat and feed grains research; regional and national research programs; utilization of services of Federal, State and private agencies; authorization of appropriations

In order to reduce fertilizer and herbicide usage in excess of production needs, to develop wheat and feed grain varieties more susceptible to complete fertilizer utilization, and to improve the resistance of wheat and feed grain plants to disease and to enhance their conservation and environmental qualities, the Secretary of Agriculture is authorized and directed to carry out regional and national research programs.

In carrying out such research, the Secretary shall utilize the technical and related services of the appropriate Federal, State, and private agencies.

There is authorized to be appropriated such sums as may be necessary to carry out the provisions of this section, but not more than \$1,000,000 in any fiscal year.

(Pub. L. 91-524, title VIII, §810, as added Pub. L. 93-86, §1(27)(B), Aug. 10, 1973, 87 Stat. 238.)

§ 428c. Rice research

(a) Regional and national research programs; rules; purposes

The Secretary of Agriculture may, under rules prescribed by such Secretary, carry out regional and national research programs with regard to rice for the following purposes:

- (1) to reduce fertilizer and herbicide usage in excess of production needs;
- (2) to develop varieties of rice more susceptible to complete fertilizer utilization;
- (3) to improve the resistance of rice plants to disease and to enhance their conservation and environmental qualities;
- (4) to increase the usage of rice and its processing byproducts;
- (5) to develop better husbandry practices in production and conservation of rice;
- (6) to develop more efficient rice storage practices;
- (7) to improve domestic and international marketing of rice; and
- (8) to benefit the general welfare.

(b) Utilization of services of Federal, State, local governmental and private agencies; priority consideration

The Secretary shall, in implementing the program authorized in subsection (a) of this section, utilize the technical and related services of appropriate Federal, State, local governmental, and private agencies, with priority consideration for land grant universities, State experiment stations, and other agricultural institutions of higher learning.
