

“(B) provide consumers with information about agricultural practices used in the production of perishable commodities; or

“(C) educate the public about the relationship, as determined in the research conducted under this subtitle, between the cosmetic appearance of perishable commodities and pesticide use.

“(d) DISSEMINATION OF RESULTS.—The Secretary of Agriculture shall disseminate to concerned parties the results obtained from prior scientifically valid research concerning Federal marketing policies and practices described in this section to avoid any duplication of effort and to ensure that current knowledge concerning such policies and practices is enhanced.

“(e) ADVISORY COMMITTEE.—

“(1) ESTABLISHMENT.—The Secretary of Agriculture shall establish an advisory committee for the purpose of providing ongoing review of the implementation of the requirements in this section and providing the Secretary of Agriculture with recommendations regarding the implementation of those requirements.

“(2) MEMBERSHIP.—The Advisory Committee shall consist of 12 members comprised of three representatives from not-for-profit consumer organizations, three representatives from not-for-profit environmental organizations, three representatives from production agriculture and the perishable commodity grower and shipper community, and three representatives from the food retailing sector, each with experience in the policy issues discussed in this section.

“(f) REPORT.—The Secretary of Agriculture shall report to Congress on the research conducted under this section no later than September 30, 1992. The Secretary shall report on the research conducted under subsection (c) no later than September 30, 1993.

“SEC. 1353. CHANGES IN PROCEDURAL REGULATIONS.

“With regard to Federal grade standards developed and promulgated pursuant to the Agricultural Marketing Act of 1946 (7 U.S.C. 1621 et seq.), the Secretary of Agriculture shall:

“(1) Take into account the impact of those standards on the ability of perishable commodity growers to reduce the use of pesticides.

“(2) Provide for citizens outside of the perishable commodity industry fair and reasonable opportunity to formally petition a change in grade standards.

“(3) Provide for a comment period after a formal petition to change grade standards has been made to enable all interested parties to submit information. The Secretary of Agriculture shall evaluate the information and consider it in the revision process.

“(4) Provide interested parties with annual status reports during the period 1992 through 1994, updated upon request, on all pending grade standard changes the Department of Agriculture is considering.

“SEC. 1354. AUTHORIZATION OF APPROPRIATIONS.

“There are authorized to be appropriated to carry out the activities required under this subtitle, \$4,000,000 for each fiscal year.”

**§ 1622a. Authority to assist farmers and elevator operators**

The Secretary may provide technical assistance (including information on such financial assistance as may be available) to grain producers and elevator operators to assist such producers and operators in installing or improving grain cleaning, drying or storage equipment.

**§ 1622c. Grant program to improve movement of specialty crops**

**(a) Grants authorized**

The Secretary may make grants under this section to an eligible entity described in subsection (b)—

- (1) to improve the cost-effective movement of specialty crops to local, regional, national, and international markets; and
- (2) to address regional intermodal transportation deficiencies that adversely affect the movement of specialty crops to markets inside or outside the United States.

**(b) Eligible grant recipients**

Grants may be made under this section to any of, or any combination of:

- (1) State and local governments.
- (2) Grower cooperatives.
- (3) National, State, or regional organizations of producers, shippers, or carriers.
- (4) Other entities as determined to be appropriate by the Secretary.

**(c) Matching funds**

The recipient of a grant under this section shall contribute an amount of non-Federal funds toward the project for which the grant is provided that is at least equal to the amount of grant funds received by the recipient under this section.

**(d) Authorization of appropriations**

There are authorized to be appropriated to carry out this section such sums as are necessary for each of fiscal years 2008 through 2012.

(Pub. L. 110-234, title X, §10403, May 22, 2008, 122 Stat. 1349; Pub. L. 110-246, §4(a), title X, §10403, June 18, 2008, 122 Stat. 1664, 2111.)

DEFINITIONS

“Secretary” as meaning the Secretary of Agriculture, see section 8701 of this title.

“Specialty crop” as having the meaning given the term in section 3 of Pub. L. 108-465, set out as a note under section 1621 of this title, see section 10001(1) of Pub. L. 110-246, set out as a note under section 1622b of this title.

**§ 1623. Authorization of appropriations; allotments to States**

(a) In order to conduct research and service work in connection with the preparation for market, processing, packaging, handling, storing, transporting, distributing, and marketing of agricultural products as authorized by this

chapter, there is hereby authorized to be appropriated the following sums:

- (1) \$2,500,000 for the fiscal year ending June 30, 1947, and each subsequent fiscal year.
- (2) An additional \$2,500,000 for the fiscal year ending June 30, 1948, and each subsequent fiscal year.
- (3) An additional \$5,000,000 for the fiscal year ending June 30, 1949, and each subsequent fiscal year.
- (4) An additional \$5,000,000 for the fiscal year ending June 30, 1950, and each subsequent fiscal year.
- (5) An additional \$5,000,000 for the fiscal year ending June 30, 1951, and each subsequent fiscal year.
- (6) In addition to the foregoing, such additional funds beginning with the fiscal year ending June 30, 1952, and thereafter, as the Congress may deem necessary.

Such sums appropriated in pursuance of this chapter shall be in addition to, and not in substitution for, sums appropriated or otherwise made available to the Department of Agriculture.

(b) The Secretary of Agriculture is authorized to make available from such funds such sums as he may deem appropriate for allotment to State departments of agriculture, State bureaus and departments of markets, State agricultural experiment stations, and other appropriate State agencies for cooperative projects in marketing service and in marketing research to effectuate the purposes of this chapter: *Provided*, That no such allotment and no payment under any such allotment shall be made for any fiscal year to any State agency in excess of the amount which such State agency makes available out of its own funds for such research. The funds which State agencies are required to make available in order to qualify for such an allotment shall be in addition to any funds now available to such agencies for marketing services and for marketing research. The allotments authorized under this section shall be made to the agency or agencies best equipped and qualified to conduct the specific project to be undertaken. Such allotments shall be covered by cooperative agreements between the Secretary of Agriculture and the cooperating agency and shall include appropriate provisions for preventing duplication or overlapping of work within the State or States cooperating. Should duplication or overlapping occur subsequent to approval of a cooperative project or allotment of funds, the Secretary of Agriculture is authorized and directed to withhold unexpended balances on such projects notwithstanding the prior approval thereof.
