

tive grants to institutions of higher education to carry out agricultural and rural transportation research and education activities.

(b) Activities

Research and education grants made under this section shall be used to address rural transportation and logistics needs of agricultural producers and related rural businesses, including—

- (1) the transportation of biofuels; and
- (2) the export of agricultural products.

(c) Selection criteria

(1) In general

The Secretary shall award grants under this section on the basis of the transportation research, education, and outreach expertise of the applicant, as determined by the Secretary.

(2) Priority

In awarding grants under this section, the Secretary shall give priority to institutions of higher education for use in coordinating research and education activities with other institutions of higher education with similar agricultural and rural transportation research and education programs.

(d) Diversification of research

The Secretary shall award grants under this section in areas that are regionally diverse and broadly representative of the diversity of agricultural production and related transportation needs in the rural areas of the United States.

(e) Matching funds requirement

The Secretary shall require each recipient of a grant under this section to provide, from non-Federal sources, in cash or in kind, 50 percent of the cost of carrying out activities under the grant.

(f) Grant review

A grant shall be awarded under this section on a competitive, peer- and merit-reviewed basis in accordance with section 7613(a) of this title.

(g) No duplication

In awarding grants under this section, the Secretary shall ensure that activities funded under this section do not duplicate the efforts of the University Transportation Centers described in sections 5505 and 5506¹ of title 49.

(h) Authorization of appropriations

There is authorized to be appropriated to carry out this section \$5,000,000 for each of fiscal years 2008 through 2012.

§ 6001. Findings and declaration of policy

(a) Findings

Congress finds that—

(1) pecans are a native American nut that is an important food, and is a valuable part of the human diet;

(2) the production of pecans plays a significant role in the economy of the United States in that pecans are produced by thousands of pecan producers, shelled and processed by numerous shellers and processors, and pecans produced in the United States are consumed by millions of people throughout the United States and foreign countries;

(3) pecans must be high quality, readily available, handled properly, and marketed efficiently to ensure that consumers have an adequate supply of pecans;

(4) the maintenance and expansion of existing markets and development of new markets for pecans are vital to the welfare of pecan producers and those concerned with marketing, using, and producing pecans, as well as to the general economy of the United States, and necessary to ensure the ready availability and efficient marketing of pecans;

(5) there exist established State organizations conducting pecan promotion, research, and industry and consumer education programs that are invaluable to the efforts of promoting the consumption of pecans;

(6) the cooperative development, financing, and implementation of a coordinated national program of pecan promotion, research, industry information, and consumer information are necessary to maintain and expand existing markets and develop new markets for pecans; and

(7) pecans move in interstate and foreign commerce, and pecans that do not move in
