§ 2704. Commonly found unregulated hazardous substances

(a) NOTICE TO HHS.—

(1) IN GENERAL.—The Secretary of Defense shall notify the Secretary of Health and Human Services of the hazardous substances which the Secretary of Defense determines to be the most commonly found unregulated hazardous substances at facilities under the Secretary’s jurisdiction. The notification shall be of not less than the 25 most widely used such substances.

(2) DEFINITION.—In this subsection, the term “unregulated hazardous substance” means a hazardous substance—

(A) for which no standard, requirement, criteria, or limitation is in effect under the Toxic Substances Control Act, the Safe Drinking Water Act, the Clean Air Act, or the Clean Water Act; and

(B) for which no water quality criteria are in effect under any provision of the Clean Water Act.

(b) TOXICOLOGICAL PROFILES.—The Secretary of Health and Human Services shall take such steps as necessary to ensure the timely preparation of toxicological profiles of each of the substances of which the Secretary is notified under subsection (a). The profiles of such substances shall include each of the following:

(1) The examination, summary, and interpretation of available toxicological information and epidemiologic evaluations on a hazardous substance in order to ascertain the levels of significant human exposure for the substance and the associated acute, subacute, and chronic health effects.

(2) A determination of whether adequate information on the health effects of each sub-

stance is available or in the process of development to determine levels of exposure which present a significant risk to human health of acute, subacute, and chronic health effects.

(3) Where appropriate, toxicological testing directed toward determining the maximum exposure level of a hazardous substance that is safe for humans.

(c) DOD SUPPORT.—The Secretary of Defense shall transfer to the Secretary of Health and Human Services such toxicological data, such sums from amounts appropriated to the Department of Defense, and such personnel of the Department of Defense as may be necessary (1) for the preparation of toxicological profiles under subsection (b) or (2) for other health related activities under section 104(i) of CERCLA (42 U.S.C. 9604(i)). The Secretary of Defense and the Secretary of Health and Human Services shall enter into a memorandum of understanding regarding the manner in which this section shall be carried out, including the manner for transferring funds and personnel and for coordination of activities under this section.

(d) EPA HEALTH ADVISORIES.—

(1) PREPARATION.—At the request of the Secretary of Defense, the Administrator shall, in a timely manner, prepare health advisories on hazardous substances. Such an advisory shall be prepared on each hazardous substance—

(A) for which no advisory exists;

(B) which is found to threaten drinking water; and

(C) which is emanating from a facility under the jurisdiction of the Secretary.

(2) CONTENT OF HEALTH ADVISORIES.—Such health advisories shall provide specific advice on the levels of contaminants in drinking water at which adverse health effects would not be anticipated and which include a margin of safety so as to protect the most sensitive members of the population at risk. The advisories shall provide data on one-day, 10-day, and longer-term exposure periods where available toxicological data exist.

(3) DOD SUPPORT FOR HEALTH ADVISORIES.—The Secretary of Defense shall transfer to the Administrator such toxicological data, such sums from amounts appropriated to the Department of Defense, and such personnel of the Department of Defense as may be necessary for the preparation of such health advisories. The Secretary and the Administrator shall enter into a memorandum of understanding regarding the manner in which this subsection shall be carried out, including the manner for transferring funds and personnel and for coordination of activities under this subsection.

(e) CROSS REFERENCE.—Section 104(i) of CERCLA (42 U.S.C. 9604(i)) applies to facilities under the jurisdiction of the Secretary of Defense in the manner prescribed in that section.

(f) FUNCTIONS OF HHS TO BE CARRIED OUT THROUGH ATSDR.—The functions of the Secretary of Health and Human Services under this section shall be carried out through the Administrator of the Agency for Toxic Substances and Disease Registry of the Department of Health and Human Services established under section 104(i) of CERCLA (42 U.S.C. 9604(i)).

§ 2705. Notice of environmental restoration activities

(a) **EXPEDITED NOTICE.**—The Secretary of Defense shall take such actions as necessary to ensure that the regional offices of the Environmental Protection Agency and appropriate State and local authorities for the State in which a facility under the Secretary’s jurisdiction is located receive prompt notice of each of the following:

(1) The discovery of releases or threatened releases of hazardous substances at the facility.

(2) The extent of the threat to public health and the environment which may be associated with any such release or threatened release.

(3) Proposals made by the Secretary to carry out response actions with respect to any such release or threatened release.

(4) The initiation of any response action with respect to such release or threatened release and the commencement of each distinct phase of such activities.

(b) **COMMENT BY EPA AND STATE AND LOCAL AUTHORITIES.**—

(1) **RELEASE NOTICES.**—The Secretary shall ensure that the Administrator of the Environmental Protection Agency and appropriate

State and local officials have an adequate opportunity to comment on notices under paragraphs (1) and (2) of subsection (a).

(2) **PROPOSALS FOR RESPONSE ACTIONS.**—The Secretary shall require that an adequate opportunity for timely review and comment be afforded to the Administrator and to appropriate State and local officials after making a proposal referred to in subsection (a)(3) and before undertaking an activity or action referred to in subsection (a)(4). The preceding sentence does not apply if the action is an emergency removal taken because of imminent and substantial endangerment to human health or the environment and consultation would be impractical.

(c) **TECHNICAL REVIEW COMMITTEE.**—Whenever possible and practical, the Secretary shall establish a technical review committee to review and comment on Department of Defense actions and proposed actions with respect to releases or threatened releases of hazardous substances at installations. Members of any such committee shall include at least one representative of the Secretary, the Administrator, and appropriate State and local authorities and shall include a public representative of the community involved.

(d) **RESTORATION ADVISORY BOARD.**—(1) In lieu of establishing a technical review committee under subsection (c), the Secretary may permit the establishment of a restoration advisory board in connection with any installation (or group of nearby installations) where the Secretary is planning or implementing environmental restoration activities.

(2)(A) The Secretary shall prescribe regulations regarding the establishment, characteristics, composition, and funding of restoration advisory boards pursuant to this subsection.

(B) The issuance of regulations under subparagraph (A) shall not be a precondition to the establishment of restoration advisory boards under this subsection.

(C) The Federal Advisory Committee Act (5 U.S.C. App.) shall not apply to a restoration advisory board established under this subsection.

(3) The Secretary may authorize the commander of an installation (or, if there is no such commander, an appropriate official of the Department of Defense designated by the Secretary) to pay routine administrative expenses of a restoration advisory board established for that installation. Such payments shall be made from funds available under subsection (g).

(e) **TECHNICAL ASSISTANCE.**—(1) The Secretary may, upon the request of the technical review committee or restoration advisory board for an installation, authorize the commander of the installation (or, if there is no such commander, an appropriate official of the Department of Defense designated by the Secretary) to obtain for the committee or advisory board, as the case may be, from private sector sources technical assistance for interpreting scientific and engineering issues with regard to the nature of environmental hazards at the installation and the restoration activities conducted, or proposed to be conducted, at the installation. The commander of an installation (or, if there is no such commander, an appropriate official of the De-
