the project, prior to the commencement of work for that phase.

(d) REPORTING OF EFFORTS TO SELECT SUCCESSOR IN EVENT OF DEFAULT.—In the event a military housing privatization initiative project enters into default, the assistant secretary for installations and environment of the respective military department shall submit a report to the congressional defense committees every 90 days detailing the status of negotiations to award the project to a new project owner, developer, or general contractor.

(e) EFFECT OF NOTICES OF DEFICIENCY ON CONTRACTORS AND AFFILIATED ENTITIES.—(1) The Secretary concerned shall keep a record of all plans of action or notices of deficiency issued to a project owner, developer, or general contractor under subsection (a)(4), including the identity of each parent, subsidiary, affiliate, or other controlling entity of such owner, developer, or contractor.

(2) Each military department shall consult all records maintained under paragraph (1) when reviewing the past performance of owners, developers, and contractors in the bidding process for a contract or other agreement for a military housing privatization initiative project.

(f) FINANCIAL INTEGRITY AND ACCOUNTABILITY MEASURES.—(1) The regulations required by subsection (a) shall address the following requirements for each military housing privatization project upon the completion of the construction or renovation of the housing units:

(A) The financial health and performance of the privatization project, including the debtcoverage ratio of the project and occupancy rates for the housing units.

(B) An assessment of the backlog of maintenance and repair of the housing units.

(2) If the debt service coverage for a military housing privatization project falls below 1.0 or the occupancy rates for the housing units of the project are below 75 percent for more than one year, the Secretary concerned shall require the development of a plan to address the financial risk of the project.
