The words "Before final payment upon discharge may be made" are substituted for the words "shall warrant their final payment". The words "at any time" are omitted as surplusage. The word "must" is substituted for the words "shall be required * * * to". The words "He must also make" are substituted for the words "accompanied by". The words "from each officer to whom he was accountable or responsible for property" are substituted for the words "from only such of the bureaus of the Department of the Army to which the property for which they were accountable or responsible pertains", since there is no longer a bureau structure within the Department of the Army. The words "that he is not accountable or responsible for property to any other officer" are substituted for the words "accompanied by the affidavits of officers, of nonaccountability or nonresponsibility to other bureaus of the Department of the Army", for the same reason. The reference to certificates from the General Accounting Office is omitted as obsolete. The last sentence is substituted for 10:878 (last 18 words). The last proviso of section 2 of the act of January 12, 1899, ch. 46, 30 Stat. 784, is not contained in 10:878. It is also omitted from the revised section, since it related to authority of mustering officers to administer oaths and the general authority to administer oaths is now contained in section 936 of this title (article 136 of the Uniform Code of Military Justice).

§ 4841. Payment of small amounts to public creditors

When authorized by the Secretary of the Army, a disbursing official of Army subsistence funds may keep a limited amount of those funds in the personal possession and at the risk of the disbursing official to pay small amounts to public creditors.

The Comptroller General shall settle the account of a line officer of the Army for pay due the officer even if the officer cannot account for

property entrusted to the officer or cannot make a monthly report or return, when the Comptroller General is satisfied that the inability to account for property or make a report or return was the result of the officer having been a prisoner, or of an accident or casualty of war.
