(a) The plan shall—

(1) provide for the submission of all or such portion of future earnings or other future income of the debtor to the supervision and control of the trustee as is necessary for the execution of the plan;

(2) provide for the full payment, in deferred cash payments, of all claims entitled to priority under section 507, unless—

(B) the holder of a particular claim agrees to a different treatment of that claim;

(3) if the plan classifies claims and interests, provide the same treatment for each claim or interest within a particular class unless the holder of a particular claim or interest agrees to less favorable treatment; and

(4) notwithstanding any other provision of this section, a plan may provide for less than full payment of all amounts owed for a claim entitled to priority under section 507(a)(1)(B) only if the plan provides that all of the debtor’s projected disposable income for a 5-year period beginning on the date that the first payment is due under the plan will be applied to make payments under the plan.

(2) modify the rights of holders of secured claims, or of holders of unsecured claims, or leave unaffected the rights of holders of any class of claims;

(3) provide for the curing or waiving of any default;

(4) provide for payments on any unsecured claim to be made concurrently with payments on any secured claim or any other unsecured claim;

(5) provide for the curing of any default within a reasonable time and maintenance of payments while the case is pending on any unsecured claim or secured claim on which the last payment is due after the date on which the final payment under the plan is due;

(6) subject to section 365 of this title, provide for the assumption, rejection, or assignment
