

(1) any decision, certificate, permit, right-of-way, lease, or other authorization issued under section 9 of the Alaska Natural Gas Transportation Act of 1976 (15 U.S.C. 719g); or

(2) any Presidential finding or waiver issued in accordance with that Act [15 U.S.C. 719 et seq.].

(b) Clarification of authority to amend terms and conditions to meet current project requirements

Any Federal agency responsible for granting or issuing any certificate, permit, right-of-way, lease, or other authorization under section 9 of the Alaska Natural Gas Transportation Act of 1976 (15 U.S.C. 719g) may add to, amend, or rescind any term or condition included in the certificate, permit, right-of-way, lease, or other authorization to meet current project requirements (including the physical design, facilities, and tariff specifications), if the addition, amendment, or rescission—

(1) would not compel any change in the basic nature and general route of the Alaska natural gas transportation system as designated and described in section 2 of the President's decision; or

(2) would not otherwise prevent or impair in any significant respect the expeditious construction and initial operation of the Alaska natural gas transportation system.

(c) Updated environmental reviews

The Secretary shall require the sponsor of the Alaska natural gas transportation system to submit such updated environmental data, reports, permits, and impact analyses as the Secretary determines are necessary to develop detailed terms, conditions, and compliance plans required by section 5 of the President's decision.

§ 720k. Alaska pipeline construction training program

(a) Program

(1) Establishment

The Secretary of Labor (in this section referred to as the "Secretary") shall make grants to the Alaska Workforce Investment Board—

(A) to recruit and train adult and displaced workers in Alaska, including Alaska Natives, in the skills required to construct and operate an Alaska gas pipeline system; and

(B) for the design and construction of a training facility to be located in Fairbanks, Alaska, to support an Alaska gas pipeline training program.

(2) Coordination with existing programs

The training program established with the grants authorized under paragraph (1) shall be consistent with the vision and goals set forth in the State of Alaska Unified Plan, as developed pursuant to the Workforce Investment Act of 1998 (29 U.S.C. 2801 et seq.).

(b) Requirements for grants

The Secretary shall make a grant under subsection (a) only if—

(1) the Governor of the State of Alaska requests the grant funds and certifies in writing to the Secretary that there is a reasonable expectation that the construction of the Alaska natural gas pipeline system will commence by the date that is 2 years after the date of the certification; and

(2) the Secretary of Energy concurs in writing to the Secretary with the certification made under paragraph (1) after considering—

(A) the status of necessary Federal and State permits;
