

ferred to Secretary of Energy (unless otherwise specifically provided) by sections 7151(a) and 7293 of Title 42, The Public Health and Welfare.

§ 778. Management oversight review; report to Administrator

The Administrator may, for a period not to exceed thirty days in any one calendar year, provide for the exercise or performance of a management oversight review with respect to the conduct of any Federal or State (with consent of the Governor) energy program conducted pursuant to this chapter. Such review may be conducted by contract or by any Federal department or agency. A written report shall be submitted to the Administrator concerning the findings of the review.

(Pub. L. 93-275, §19, May 7, 1974, 88 Stat. 111.)

TRANSFER OF FUNCTIONS

Federal Energy Administration terminated and functions vested by law in Administrator thereof transferred to Secretary of Energy (unless otherwise specifically provided) by sections 7151(a) and 7293 of Title 42, The Public Health and Welfare.

§ 779. Coordination with, and technical assistance to, State governments

(a) Report to Congress and State governments: organization of Administration; report to the public, Congress and State governments; scope of nontechnical report; comments of State governments respecting rules, regulations, or policies and programs; energy shortages, status reports; information clearing-house

The Administrator shall—

(1) coordinate Federal energy programs and policies with such programs and policies of State governments by providing—

(A) within sixty days of the effective date of this chapter, the Congress and State governments with a report on the manner in which he has organized the Administration based upon the functions delegated by the President or assigned to the Administrator by this chapter or under the authority of other Acts; and

(B) within one hundred and twenty days of the effective date of this chapter, the public, State governments, and all Members of the Congress with a report in nontechnical language which—

(i) describes the functions performed by the Administration;

(ii) sets forth in detail the organization of the Administration, the location of its offices (including regional, State, and local offices), the names and phone numbers of Administration officials, and other appropriate information concerning the operation of the Administration;

(iii) delineates the role that State, and Federal governments will or may perform in achieving the purposes of this chapter; and

(iv) provides the public with a clear understanding of their duties and obligations, rights, and responsibilities under any of the programs or functions of the Administration;

(2) before promulgating any rules, regulations, or policies, and before establishing any programs under the authority of this chapter, provide, where practicable, a reasonable period in which State governments may provide written comments if such rules, regulations, policies, or programs substantially affect the authority or responsibility of such State governments;

(3) provide, in accordance with the provisions of this chapter, upon request, to State governments all relevant information he possesses concerning the status and impact of energy shortages, the extent and location of available supplies and shortages of crude oil, petroleum products, natural gas, and coal, within the distribution area serving that particular State government; and

(4) provide for a central clearinghouse for Federal agencies and State governments seeking energy information and assistance from the Federal Government.

(b) Technical assistance; task forces; conferences; expenses of participation; model legislation; uniform criteria, procedures, and forms for grant or contract applications for State government energy proposals

Pursuant to his responsibility under this section, the Administrator shall—

(1) provide technical assistance—including advice and consultation relating to State programs, and, where necessary, the use of task forces of public officials and private persons assigned to work with State governments—to assist State governments in dealing with energy problems and shortages and their impact and in the development of plans, programs, and policies to meet the problems and shortages so identified;

(2) convene conferences of State and Federal officials, and such other persons as the Administrator designates, to promote the purposes of this chapter, and the Administrator is authorized to pay reasonable expenses incurred in the participation of individuals in such conferences;

(3) draft and make available to State governments model legislation with respect to State energy programs and policies; and

(4) promote the promulgation of uniform criteria, procedures, and forms for grant or contract applications for energy proposals submitted by State governments.

(Pub. L. 93-275, §20, May 7, 1974, 88 Stat. 111.)

TRANSFER OF FUNCTIONS

§ 780. Office of Private Grievances and Redress

(a) Establishment; director; statement of purpose

The Administrator shall establish and maintain an Office of Private Grievances and Redress, headed by a director, to receive and evaluate petitions filed in accordance with subsection (b) of this section, and to make recommendations to the Administrator for appropriate action.

(b) Petition for special redress, relief, or other extraordinary assistance; nature of remedy

Any person, adversely affected by any order, rule, or regulation issued by the Administrator in carrying out the functions assigned to him under this chapter, may petition the Administrator for special redress, relief, or other extraordinary assistance, apart from, or in addition to, any right or privilege to seek redress of grievances provided in section 766 of this title.

(c) Statement for annual report; recommendations to Congress

The Administrator shall submit to the Secretary for inclusion in the annual report required by section 7267 of title 42 a statement on the nature and number of the grievances which have been filed, and the action taken and relief provided, pursuant to this section; and he shall make recommendations to the Congress from time to time concerning legislative or administrative actions which may be taken to better assist persons adversely affected by the energy shortages and to distribute more equitably the burdens resulting from any measures adopted, or actions taken, by him.

(Pub. L. 93-275, § 21, May 7, 1974, 88 Stat. 112; Pub. L. 96-470, title II, § 203(h), Oct. 19, 1980, 94 Stat. 2244.)

AMENDMENTS

1980—Subsec. (c). Pub. L. 96-470 substituted “submit to the Secretary for inclusion in the annual report required by section 7267 of title 42 a statement” for “report quarterly to the Congress”.

TRANSFER OF FUNCTIONS

§ 781. Comprehensive energy plan

(a) Report to President and Congress; analytical justification; scope of analysis

Pursuant and subject to the provisions and procedures set forth in this chapter, the Administrator shall, within six months from May 7, 1974, develop and report to the Congress and the President a comprehensive plan designed to alleviate the energy shortage, for the time period covered by this chapter. Such plan shall be accompanied by full analytical justification for the actions proposed therein. Such analysis shall include, but not be limited to—

- (1) estimates of the energy savings of each action and of the program as a whole;
- (2) estimates of any windfall losses and gains to be experienced by corporations, industries, and citizens grouped by socioeconomic class;
- (3) estimates of the impact on supplies and consumption of energy forms consequent to such price changes as are or may be proposed; and
- (4) a description of alternative actions which the Administrator has considered together with a rationale in explanation of the rejection of any such alternatives in preference to the measures actually proposed.

(b) Alterations; analytical justifications

The Administrator may, from time to time, modify or otherwise alter any such plan, except that, upon request of an appropriate committee of the Congress, the Administrator shall supply analytical justifications for any such alterations.

(c) Monitoring activity

The Administrator shall be responsible for monitoring any such plans as are implemented with respect to their effectiveness in achieving the anticipated benefits.

(Pub. L. 93-275, § 22, May 7, 1974, 88 Stat. 113.)

TRANSFER OF FUNCTIONS

Federal Energy Administration terminated and functions vested by law in Administrator thereof transferred to Secretary of Energy (unless otherwise specifically provided) by sections 7151(a) and 7293 of Title 42, The Public Health and Welfare.

§ 782. Petrochemical report to Congress

(a) Scope of report
