§ 2218. Administrative provisions

(a) Assistance to Administrator

Each department, agency, and instrumentality of the executive branch of the Federal Government and each independent regulatory agency of the United States is authorized and directed to furnish to the Administrator, upon written request, on a reimbursable basis or otherwise, such assistance as the Administrator deems necessary to carry out his functions and duties pursuant to this chapter, including, but not limited to, transfer of personnel with their consent and without prejudice to their position and ratings.

(b) Powers of Administrator

With respect to this chapter, the Administrator is authorized to—

- (1) enter into, without regard to section 6101 of title 41¹ such contracts, grants, leases, cooperative agreements, or other transactions as may be necessary to carry out the provisions of this chapter;
- (2) accept gifts and voluntary and uncompensated services, notwithstanding the provisions of section 1342 of title 31;
- (3) purchase, lease, or otherwise acquire, own, hold, improve, use, or deal in and with any property (real, personal, or mixed, tangible or intangible), or interest in property, wherever situated; and sell, convey, mortgage, pledge, lease, exchange, or otherwise dispose of property and assets;
- (4) procure temporary and intermittent services to the same extent as is authorized under section 3109 of title 5, but at rates not to exceed the daily equivalent of the maximum annual rate of basic pay then in effect for grade GS-15 of the General Schedule (5 U.S.C. 5332(a)) for qualified experts; and
- (5) establish such rules, regulations, and procedures as are necessary to carry out the provisions of this chapter.

(c) Audit

The Administrator of FEMA and the Comptroller General of the United States, or any of their duly authorized representatives, shall have access to any books, documents, papers, and records of the recipients of contracts, grants, or other forms of assistance that are pertinent to its activities under this chapter for the purpose of audit or to determine if a proposed activity is in the public interest.

(d) Inventions and discoveries

All property rights with respect to inventions and discoveries, which are made in the course of

or under contract with any government agency pursuant to this chapter, shall be subject to the basic policies set forth in the President's Statement of Government Patent Policy issued August 23, 1971, or such revisions of that statement of the policy as may subsequently be promulgated and published in the Federal Register.

(e) Coordination

(1) In general

To the extent practicable, the Administrator shall use existing programs, data, information, and facilities already available in other Federal Government departments and agencies and, where appropriate, existing research organizations, centers, and universities.

(2) Coordination of fire prevention and control programs

The Administrator shall provide liaison at an appropriate organizational level to assure coordination of the activities of the Administrator with Federal, State, and local government agencies and departments and nongovernmental organizations concerned with any matter related to programs of fire prevention and control.

(3) Coordination of emergency medical services programs

The Administrator shall provide liaison at an appropriate organizational level to assure coordination of the activities of the Administrator related to emergency medical services provided by fire service-based systems with Federal, State, and local government agencies and departments and nongovernmental organizations so concerned, as well as those entities concerned with emergency medical services generally.
