

tion Agency supervision, each advanced automobile propulsion system in an appropriately modified production vehicle equipped with such a system developed in whole or in part with Federal financial assistance under this chapter, or referred to the Administrator of the Environmental Protection Agency for such purpose by the Secretary of Energy, to determine whether such vehicle complies with any exhaust emission standards or any other requirements promulgated or reasonably expected to be promulgated under any provision of the Clean Air Act (42 U.S.C. 1857 et seq.) [42 U.S.C. 7401 et seq.], the Noise Control Act of 1972 (42 U.S.C. 4901 et seq.), or any other provision of Federal law administered by the Administrator of the Environmental Protection Agency. In conjunction with any test for compliance with exhaust emission standards under this section, the Administrator of the Environmental Protection Agency shall also conduct tests to determine the fuel economy of such vehicle. The Administrator of the Environmental Protection Agency shall submit all test data and the results of such tests to the Secretary of Energy.

(c) Collection, analysis, and dissemination of information, data, and materials to developers

The Secretary of Energy shall collect, analyze, and disseminate to developers information, data, and materials that may be relevant to the development of advanced automobile propulsion system technology.

§ 2709. Reports to Congress by Secretary of Energy

(a) Comprehensive program, etc.

As a separate part of the annual report submitted under section 5914(a)¹ of title 42 with respect to the comprehensive plan and program then in effect under section 5905(a) and (b) of title 42, the Secretary of Energy shall submit to Congress an annual report of activities under this chapter. Such report shall include—

(1) a current comprehensive program definition for implementing this chapter;

(2) an evaluation of the state of automobile propulsion system research and development in the United States;

(3) the number and amount of contracts and grants made under this chapter;

(4) an analysis of the progress made in developing advanced automobile propulsion system technology; and

(5) suggestions for improvements in advanced automobile propulsion system research and development, including recommendations for legislation.

(b) Study on financial obligation guarantees

The Secretary of Energy shall conduct a survey of developers, lending institutions, and other appropriate persons or institutions and shall otherwise make a study for the purpose of determining whether, and under what conditions, research, development, demonstration, and commercial availability of advanced automobile propulsion system technology may be aided by the guarantee of financial obligations by the Federal Government. The Secretary of Energy shall report the results of such survey and study to the Congress within 1 year after February 25, 1978. Such report shall include an examination of those stages of advanced automobile propulsion system technology research, development, demonstration, and commercialization for which financial obligation guarantees may be useful or appropriate and shall contain such legislative recommendations as may be necessary.

SUBCHAPTER I—FRANCHISE PROTECTION

§ 2801. Definitions

As used in this subchapter:

(1)(A) The term “franchise” means any contract—

- (i) between a refiner and a distributor,
- (ii) between a refiner and a retailer,
- (iii) between a distributor and another distributor, or
- (iv) between a distributor and a retailer,

under which a refiner or distributor (as the case may be) authorizes or permits a retailer or distributor to use, in connection with the sale, consignment, or distribution of motor fuel, a trademark which is owned or controlled by such refiner or by a refiner which supplies motor fuel to the distributor which authorizes or permits such use.

(B) The term “franchise” includes—

(i) any contract under which a retailer or distributor (as the case may be) is authorized or permitted to occupy leased marketing premises, which premises are to be employed in connection with the sale, consignment, or distribution of motor fuel under a trademark which is owned or controlled by such refiner or by a refiner which supplies motor fuel to the distributor which authorizes or permits such occupancy;

(ii) any contract pertaining to the supply of motor fuel which is to be sold, consigned or distributed—

(I) under a trademark owned or controlled by a refiner; or

(II) under a contract which has existed continuously since May 15, 1973, and pursuant to which, on May 15, 1973, motor fuel was sold, consigned or distributed under a trademark owned or controlled on such date by a refiner; and

(iii) the unexpired portion of any franchise, as defined by the preceding provisions of this

paragraph, which is transferred or assigned as authorized by the provisions of such franchise or by any applicable provision of State law which permits such transfer or assignment without regard to any provision of the franchise.

(2) The term “franchise relationship” means the respective motor fuel marketing or distribution obligations and responsibilities of a franchisor and a franchisee which result from the marketing of motor fuel under a franchise.

(3) The term “franchisor” means a refiner or distributor (as the case may be) who authorizes or permits, under a franchise, a retailer or distributor to use a trademark in connection with the sale, consignment, or distribution of motor fuel.

(4) The term “franchisee” means a retailer or distributor (as the case may be) who is authorized or permitted, under a franchise, to use a trademark in connection with the sale, consignment, or distribution of motor fuel.

(5) The term “refiner” means any person engaged in the refining of crude oil to produce motor fuel, and includes any affiliate of such person.

(6) The term “distributor” means any person, including any affiliate of such person, who—

(A) purchases motor fuel for sale, consignment, or distribution to another; or

(B) receives motor fuel on consignment for consignment or distribution to his own motor fuel accounts or to accounts of his supplier, but shall not include a person who is an employee of, or merely serves as a common carrier providing transportation service for, such supplier.

(7) The term “retailer” means any person who purchases motor fuel for sale to the general public for ultimate consumption.

(8) The term “marketing premises” means, in the case of any franchise, premises which, under such franchise, are to be employed by the franchisee in connection with sale, consignment, or distribution of motor fuel.

(9) The term “leased marketing premises” means marketing premises owned, leased, or in any way controlled by a franchisor and which the franchisee is authorized or permitted, under the franchise, to employ in connection with the sale, consignment, or distribution of motor fuel.

(10) The term “contract” means any oral or written agreement. For supply purposes, delivery levels during the same month of the previous year shall be prima facie evidence of an agreement to deliver such levels.

(11) The term “trademark” means any trademark, trade name, service mark, or other identifying symbol or name.

(12) The term “motor fuel” means gasoline and diesel fuel of a type distributed for use as a fuel in self-propelled vehicles designed primarily for use on public streets, roads, and highways.

(13) The term “failure” does not include—

(A) any failure which is only technical or unimportant to the franchise relationship;

(B) any failure for a cause beyond the reasonable control of the franchisee; or

(C) any failure based on a provision of the franchise which is illegal or unenforceable
