(2) the exercise of authorities under section 3362 or section 3363 of this title is reasonably necessary, having exhausted other alternatives to the maximum extent practicable, to assist in meeting natural gas requirements for such high-priority uses.

(b) Limitation

(1) Expiration

Any declaration of a natural gas supply emergency (or extension thereof) under subsection (a) of this section, shall terminate at the earlier of—

(A) the date on which the President finds that any shortage described in subsection (a) of this section does not exist or is not imminent; or

(B) 120 days after the date of such declaration of emergency (or extension thereof).
