The Commission is authorized to determine whether such inconsistencies exist. The Commission may not determine that any State law is inconsistent with any provision of this subchapter<sup>1</sup> if the Commission determines that such law gives greater protection to the consumer.

**(b) Regulatory exemptions**

The Commission shall by regulation exempt from the requirements of this subchapter any class of telephone-billed purchase transactions within any State if it determines that under the law of that State that class of transactions is subject to requirements substantially similar to those imposed under this subchapter<sup>1</sup> or that such law gives greater protection to the consumer, and that there is adequate provision for enforcement.

This subchapter, referred to the last time in subsecs. (a) and (b), was in the original “this chapter” and was translated as reading “this title” meaning title III of Pub. L. 102-556, to reflect the probable intent of Congress because Pub. L. 102-556 does not contain chapters.

**§ 5723. Enforcement**

The Commission shall enforce the requirements of this subchapter. For the purpose of the exercise by the Commission of its functions and powers under the Federal Trade Commission Act [15 U.S.C. 41 et seq.], a violation of any requirement imposed under this subchapter shall be deemed a violation of a requirement imposed under that Act. All the functions and powers of the Commission under that Act are available to the Commission to enforce compliance by any person with the requirements imposed under this subchapter, irrespective of whether that person is engaged in commerce or meets any other jurisdictional tests in that Act. The Commission may prescribe such regulations as are necessary or appropriate to implement the provisions of this subchapter.

**CHAPTER 85—ARMORED CAR INDUSTRY  
RECIPROCITY**

Sec.	
5901.	Findings.
5902.	State reciprocity of weapons licenses issued to armored car company crew members.
5903.	Relation to other laws.
5904.	Definitions.

**§ 5901. Findings**

Congress finds that—

(1) the distribution of goods and services to consumers in the United States requires the free flow of currency, bullion, securities, supplemental nutrition assistance program benefits, and other items of unusual value in interstate commerce;

(2) the armored car industry transports and protects such items in interstate commerce, including daily transportation of currency and supplemental nutrition assistance program benefits valued at more than \$1,000,000,000;

(3) armored car crew members are often subject to armed attack by individuals attempting to steal such items;

(4) to protect themselves and the items they transport, such crew members are armed with weapons;

(5) various States require both weapons training and a criminal record background

check before licensing a crew member to carry a weapon; and

(6) there is a need for each State to reciprocally accept weapons licenses of other States for armored car crew members to assure the free and safe transport of valuable items in interstate commerce.

(2) has met all other applicable requirements to act as an armored car crew member in the State in which such member is primarily employed by such company,
