

“(a) REDESIGNATION.—The White Rocks National Recreation Area in the State of Vermont, as established by section 202 of the Vermont Wilderness Act of 1984 (16 U.S.C. 460nn-1), is redesignated as the ‘Robert T. Stafford White Rocks National Recreation Area’.

“(b) REFERENCES.—Any reference in a law, map, regulation, document, paper, or other record of the United States to the recreation area referred to in subsection (a) shall be deemed to be a reference to the Robert T. Stafford White Rocks National Recreation Area.”

§ 460nn-2. Map and description

As soon as practicable after June 19, 1984, the Secretary of Agriculture shall file a map and legal description of the national recreation area designated by this subchapter with the Committee on Interior and Insular Affairs and the Committee on Agriculture of the United States House of Representatives and with the Committee on Agriculture, Nutrition, and Forestry of the United States Senate. Such map and description shall have the same force and effect as if included in this subchapter, except that correction of clerical and typographical errors in such map and description may be made by the Secretary. Such map and description shall be on file and available for public inspection in the Office of the Chief of the Forest Service, Department of Agriculture.

(Pub. L. 98-322, title II, §203, June 19, 1984, 98 Stat. 257.)

CHANGE OF NAME

Committee on Interior and Insular Affairs of the House of Representatives changed to Committee on Natural Resources of the House of Representatives on Jan. 5, 1993, by House Resolution No. 5, One Hundred Third Congress.

§ 460nn-3. Administration

(a) Objectives

Subject to valid existing rights, the Robert T. Stafford White Rocks National Recreation Area designated by this subchapter shall be administered by the Secretary of Agriculture in accordance with the findings and purpose of this subchapter and the laws, rules, and regulations applicable to the national forests in a manner compatible with the following objectives:

- (1) the continuation of existing primitive and semiprimitive recreational use in a natural environment;
- (2) utilization of natural resources shall be permitted only if consistent with the findings and purposes in this subchapter;
- (3) preservation and protection of forest and aquatic habitat for fish and wildlife; and
- (4) protection and conservation of special areas having uncommon or outstanding wilderness, biological, geological, recreational, cultural, historical or archeological, and scientific, or other values contributing to the public benefit.

(b) Mineral leasing laws

Notwithstanding any other provision of law, federally-owned lands within the Robert T. Stafford White Rocks National Recreation Area as designated by this subchapter are hereby withdrawn from all forms of appropriation under the mineral leasing laws, including all laws pertaining to geothermal leasing, and all amendments thereto.

(c) Hunting, fishing, and trapping

The Secretary shall permit hunting, fishing, and trapping on lands and waters under the Secretary’s jurisdiction within the boundaries of the national recreation area designated by this subchapter in accordance with applicable laws of the United States and the State of Vermont.

(d) Comprehensive management plan

Within eighteen months after June 19, 1984, the Secretary shall develop and submit to the Committee on Interior and Insular Affairs and the Committee on Agriculture of the United States House of Representatives and to the Committee on Agriculture, Nutrition, and Forestry of the United States Senate a comprehensive management plan for the national recreation area designated by this subchapter.

(e) Public participation in development of management plan

In conducting the reviews and preparing the comprehensive management plan required by subsection (d) of this section, the Secretary shall provide for full public participation, shall consider the views of all interested agencies, organizations, and individuals, and shall particularly emphasize the values enumerated in section 460nn(a)(4) of this title.

(Pub. L. 98-322, title II, §204, June 19, 1984, 98 Stat. 257; Pub. L. 110-1, §1(b), Jan. 17, 2007, 121 Stat. 3.)

CHANGE OF NAME

“Robert T. Stafford White Rocks National Recreation Area” substituted in subsecs. (a) and (b) for “White Rocks National Recreation Area” pursuant to section 1(b) of Pub. L. 110-1, set out as a note under section 460nn-1 of this title.

Committee on Interior and Insular Affairs of the House of Representatives changed to Committee on Natural Resources of the House of Representatives on Jan. 5, 1993, by House Resolution No. 5, One Hundred Third Congress.

SUBCHAPTER C—OREGON CASCADES RECREATION AREA

§ 4600o. Establishment

(a) In general

In order to conserve, protect, and manage, in a substantially undeveloped condition, certain National Forest System lands in the State of Oregon having unique geographic, topographic, biological, ecological features and possessing significant scenic, wildlife, dispersed recreation, and watershed values, there is hereby established, within the Umpqua, Willamette, Winema and Deschutes National Forests, the Oregon Cascades Recreation Area (hereinafter referred to in this subchapter as the “recreation area”).

(b) Administration

The recreation area shall comprise approximately one hundred fifty-six thousand nine hundred acres as generally depicted on a map entitled “Oregon Cascades Recreation Area” dated March 1984. Except as otherwise provided in this section, the Secretary of Agriculture (hereinafter referred to as the “Secretary”) shall administer and manage the recreation area in accordance with the laws and regulations applica-

ble to the National Forest System so as to enhance scenic and watershed values, wildlife habitat, and dispersed recreation.

(c) Management plan

The recreation area shall be managed in accordance with plans prepared in subsection (g) of this section to:

- (1) provide a range of recreation opportunities from primitive to full service developed campgrounds;
- (2) provide access for use by the public;
- (3) to the extent practicable, maintain the natural and scenic character of the area; and
- (4) provide for the use of motorized recreation vehicles.

(d) Mining

(1) Subject to valid existing rights, all mining claims located within the recreation area shall be subject to such reasonable regulations as the Secretary may prescribe to insure that mining activities will, to the maximum extent practicable, be consistent with the purposes for which the recreation area is established. Any patent issued after June 26, 1984, shall convey title only to the minerals together with the right to use the surface of lands for mining purposes subject to such reasonable regulations as the Secretary shall prescribe.

(2) Effective January 1, 1989, and subject to valid existing rights, the lands located within the recreation area are hereby withdrawn from all forms of appropriation under the mining laws and from disposition under all laws pertaining to the mineral leasing and geothermal leasing and all amendments thereto.

(e) Allowance of limited activities and facilities

Within the recreation area, the Secretary may permit, under appropriate regulations those limited activities and facilities which he determines necessary for resource protection and management and for visitor safety and comfort, including—

- (1) those necessary to prevent and control wildfire, insects, diseases, soil erosion, and other damaging agents including timber harvesting activities necessary to prevent catastrophic mortality from insects, diseases or fire;
- (2) those necessary to maintain or improve wildlife habitat, water yield and quality, forage production, and dispersed outdoor recreation opportunities;
- (3) livestock grazing, to the extent that such use will not significantly adversely affect the resources of the recreation area;
- (4) salvage of major timber mortality caused by fire, insects, disease, blowdown, or other causes when the scenic characteristics of the recreation area are significantly affected, or the health and safety of the public is threatened, or the overall protection of the forested area inside or outside the recreation area might be adversely affected by failure to remove the dead or damaged timber;
- (5) those developments or facilities necessary for the public enjoyment and use of the recreation area, when such development or facilities do not detract from the purposes of the recreation area; and

(6) public service land occupancies, including power transmission lines, provided there is no feasible alternative location, and, the Secretary finds that it is in the public interest to locate such facilities within the recreation area.

(f) Wilderness lands

The following lands within the recreation area are hereby designated as wilderness and therefore as components of the National Wilderness Preservation System, and shall, notwithstanding any other provisions of this section, be administered by the Secretary in accordance with the applicable provisions of the Wilderness Act [16 U.S.C. 1131 et seq.]: Certain lands in the Umpqua, Willamette, and Winema National Forests which comprise approximately fifty-five thousand one hundred acres, are generally depicted on a map dated March 1984, entitled "Mount Thielsen Wilderness—Proposed", and which shall be known as the Mount Thielsen Wilderness; and certain lands in the Willamette and Deschutes National Forests, which comprise approximately fifteen thousand seven hundred acres, are generally depicted on a map dated March 1984, entitled "Diamond Peak Wilderness Additions—Proposed", and which are hereby incorporated in, and which shall be deemed to be a part of, the Diamond Peak Wilderness as designated in Public Law 88-577.

(g) Forest plans; integrated management plans

Management direction for the recreation area shall be developed in either the forest plans developed for the Umpqua, Winema, Deschutes and Willamette Forests in accordance with section 6 of the Forest and Rangeland Renewable Resources Planning Act of 1974, as amended [16 U.S.C. 1604], or in an integrated management plan that shall be prepared within three years from June 26, 1984, and revised in accordance with the Forest and Rangeland Renewable Resources Planning Act of 1974, as amended [16 U.S.C. 1600 et seq.]. Any plan developed by the Secretary for the recreation area shall identify and designate specific and appropriate areas and routes for the use of motorized recreation vehicles within the recreation area.

For complete classification of this Act to the Code, see Short Title note set out under section 1600 of this title and Tables.

MAP OF RECREATION AREA

Pub. L. 98-328, §5(a), June 26, 1984, 98 Stat. 277, provided in part that as soon as practicable after June 6, 1984, the Secretary of Agriculture was to file the map referred to in this section with the Committee on Energy and Natural Resources, Senate, and the Committee on Interior and Insular Affairs, House of Representatives, and that such map would have the same force and effect as if included in this section: *Provided*, That correction of clerical and typographical errors in such map could be made. Such map was to be on file and available for public inspection in the Office of the Chief of the Forest Service, Department of Agriculture; and the Director, Bureau of Land Management, Department of the Interior.

SUBCHAPTER CI—MOUNT BAKER
RECREATION AREA**§ 460pp. Establishment****(a) In general**

In order to assure the conservation and protection of certain natural, scenic, historic, pastoral, and fish and wildlife values and to provide for the enhancement of the recreational values associated therewith, the Mount Baker National Recreation Area located in the Mount Baker-Snoqualmie National Forest, Washington, is hereby established.

(b) Acreage

The Mount Baker National Recreation Area (hereafter referred to as the "recreation area") shall comprise approximately eight thousand six hundred acres as generally depicted on the map entitled "Mount Baker National Recreation Area—Proposed", dated March 1984, which shall be on file and available for public inspection in the office of the Chief, Forest Service, Department of Agriculture.

(c) Map and legal description

The Secretary of Agriculture shall, as soon as practicable after July 3, 1984, file a map and a legal description of the recreation area with the Committee on Energy and Natural Resources, United States Senate, and the Committee on Interior and Insular Affairs, House of Representatives, and each such map and legal description shall have the same force and effect as if included in this subchapter: *Provided*, That correction of clerical and typographical errors in such legal description and map may be made. The map and legal description shall be on file and available for public inspection in the office of the Chief of the Forest Service, Department of Agriculture.

(d) Administration

The Secretary shall administer the recreation area in accordance with the laws, rules and regulations applicable to the national forests in such manner as will best provide for (1) public outdoor recreation (including but not limited to snowmobile use); (2) conservation of scenic, natural, historic, and other values contributing to public enjoyment; and (3) such management, utilization, and disposal of natural resources on federally owned lands within the recreation area which are compatible with and which do not significantly impair the purposes for which the recreation area is established.

(Pub. L. 98-339, §7, July 3, 1984, 98 Stat. 304.)

This subchapter, referred to in subsec. (c), was in the original "this Act", meaning Pub. L. 98-339, July 3, 1984, 98 Stat. 299, known as the Washington State Wilderness Act of 1984, which enacted this subchapter and provisions listed in a table of Wilderness Areas set out under section 1132 of this title. For complete classification of this Act to the Code, see Tables.

CHANGE OF NAME

Committee on Interior and Insular Affairs of the House of Representatives changed to Committee on Natural Resources of the House of Representatives on Jan. 5, 1993, by House Resolution No. 5, One Hundred Third Congress.

SUBCHAPTER CII—ALLEGHENY NATIONAL
RECREATION AREA**§ 460qq. Establishment****(a) Designation of area; revision of boundaries**

In furtherance of the findings and purposes of this subchapter, certain lands in the Allegheny National Forest, Pennsylvania, which comprise approximately twenty-three thousand one hundred acres, as generally depicted on a map entitled "Allegheny National Recreation Area—Proposed", dated March 1984, are hereby designated as the Allegheny National Recreation Area (hereinafter in this subchapter referred to as the "national recreation area"). The Secretary of Agriculture may revise the boundaries of the national recreation area to correct errors or to include additional lands acquired adjacent to the area.

(b) Description of purposes

The national recreation area shall be managed for the purposes of—

- (1) outdoor recreation including, but not limited to, hunting, fishing, hiking, backpacking, camping, nature study, and the use of motorized and nonmotorized boats on the Allegheny Reservoir;
- (2) the conservation of fish and wildlife populations and habitat;
- (3) the protection of watersheds and the maintenance of free flowing streams and the quality of ground and surface waters in accordance with applicable law;
- (4) the conservation of scenic, cultural, and other natural values of the area;
- (5) allowing the development of privately owned oil, gas, and mineral resources subject to reasonable conditions prescribed by the Secretary under subsection (c) of this section for the protection of the area; and
- (6) minimizing, to the extent practicable, environmental disturbances caused by resource development, consistent with the exercise of private property rights.

(c) Administration; plan of operations

The Secretary shall administer the national recreation area in accordance with the purposes described in subsection (b) of this section and the laws, rules, and regulations applicable to the National Forest System. Subject to valid existing rights, any activity associated with the exploration, development, or transportation of oil, gas, or other minerals shall be subject to such reasonable conditions as the Secretary may pre-
