

uses through implementation of management strategies developed by the Forest Service.

(10) Except where timber harvest is specifically authorized by subsection (b) of this section protect, preserve, and increase old growth forest habitat in the recreation area.

(11) Provide for the restoration of landscapes damaged by past human activity consistent with the purposes of this subchapter.

(12) Develop a monitoring program to consistently gather water quality, air quality, wildlife, and fisheries data from representative Smith River subwatersheds.

(13) Develop and implement a management plan to maintain, protect, and promote habitat for native resident trout species in the recreation area.

(14) Cooperate with other Federal, State, and local government agencies in coordinating planning efforts throughout the Smith River watershed.

(b) Management areas

(1) The recreation area shall contain eight management areas, as generally depicted on the map referred to in section 460bbb-2(b) of this title. The Secretary may, pursuant to section 460bbb-2(b) of this title, make minor revisions or amendments to the boundaries of the management areas.

(2) The Secretary shall administer each management area within the recreation area in accordance with the following:

(A) The management emphasis for the North Fork management area shall be on back-country and whitewater recreation, while recognizing unique botanic communities, outstanding whitewater, and historic and scenic values.

(B) The management emphasis for the Upper Middle Fork management area shall be on providing and maintaining ecologic and biologic diversity. Timber harvest shall be permitted, consistent with subsection (a)(6) of this section, only in existing plantations.

(C) The management emphasis for the Middle Fork-Highway 199 management area shall be on maintaining wildlife values and providing for a full range of recreation uses, with particular emphasis on the scenic and recreation values associated with the Smith River, old growth redwoods, and California State Highway 199.

(D) The management emphasis for the Upper South Fork management area shall be on wild river and roadless back-country recreation.

(E) The management emphasis for the Lower South Fork management area shall be on maintaining and protecting natural scenic values in the river canyon while providing for traditional and compatible river sports, including white water rafting, angling, sightseeing, and developed and dispersed recreation. Timber harvests based on uneven-aged management with extended rotations shall be allowed where consistent with protection of the scenic values of the recreation area.

(F) The management emphasis for the Lower Hurdygurdy Creek management area shall be on maintenance of wildlife values while providing rustic family and group recreation facilities for fishing, swimming, hunting, and

camping. Timber harvests based on uneven-aged management with extended rotations shall be allowed where consistent with protection of scenic and wildlife values.

(G) The management emphasis for the prescribed timber management area shall be on providing a sustained yield of wood products while maintaining biological and ecological diversity.

(H) The management of the Siskiyou Wilderness management area shall be pursuant to the provisions of the Wilderness Act (16 U.S.C. 1131 et seq.). The Gasquet-Orleans Road corridor between the eastern edge of section 36, T. 14 N., R. 3 E, and the corridor's eastern terminus in the middle of section 26, T. 14 N., R. 4 E. shall be added to the Siskiyou Wilderness.

(c) Wild and scenic rivers

The river segments designated as wild and scenic rivers by the amendments made by section 10(b) of this Act shall be administered in accordance with this subchapter and the Wild and Scenic Rivers Act (16 U.S.C. 1271 et seq.). In case of conflict between the provisions of these Acts, the more restrictive provision shall apply.

§ 460bbb-4. Acquisition and disposal of lands and other property

(a) Acquisition

The Secretary is authorized to acquire by purchase, donation, exchange, or otherwise lands, waters, or interests therein (including scenic or other easements), and structures or other improvements thereon, within the boundaries of the recreation area as the Secretary determines appropriate for the purposes of this subchapter. In exercising this authority, the Secretary is directed to give prompt and careful consideration to any offer to sell, exchange, or otherwise dispose of such property made by an individual or organization. The Secretary shall not acquire any land or interest in land owned by the State of California or any of its political subdivisions within the recreation area except by donation or

exchange. All lands acquired by the Secretary pursuant to this subchapter shall be subject to the laws and regulations pertaining to the National Forest System and this subchapter.

(b) Transfers to Del Norte County

(1) Upon the adoption of a resolution by the Board of Supervisors of the County of Del Norte, California, accepting title to the lands described in paragraph (2) and subject to the County of Del Norte bearing the cost of the survey of such lands, the Secretary shall transfer all right, title, and interest of the United States in and to the lands described in paragraph (2).

(2) The lands referred to in paragraph (1) are described as follows:

(A) Lands north of tract 37, T. 17 N., R. 3 E., H.M., containing 6 acres, more or less, and more particularly described as:

Commencing at the N.E. corner of tract 37, T. 17 N., R. 3 E., H.M.; thence, northerly on a line continuing the eastern boundary of said tract 37 to a point where it intersects the southern boundary of the easement for State highway conveyed to the State of California, Department of Transportation, on the 17th day of May 1977, and recorded on June 22, 1977 at book 206 of Official Records, page 256; thence, southwesterly along the southern boundary of said easement to the point where it intersects the northern boundary of said tract 37; thence, easterly along the northern boundary of said tract 37 to the point of beginning.

(B) Lands east of tract 37, T. 17 N., R. 3 E., H.M., containing 6 acres, more or less, and more particularly described as:

Commencing at a point on the eastern boundary of tract 37, T. 17 N., R. 3 E., H.M., lying 332 feet southerly of the N.E. corner of said tract 37; thence, due east to the high water line of the Middle Fork of the Smith River; thence, southwesterly along the high water line of the Middle Fork of the Smith River to its intersection with the northern boundary of tract 38, T. 17 N., R. 3 E.; thence, westerly along the northern boundary of said tract 38 to its intersection with said tract 37; thence, northerly along the eastern boundary of said tract 37 to the point of beginning.

(c) Conditions of transfer

Transfer of the lands and interests described in subsection (b)(2) of this section shall be subject to the condition that all right, title, and interest therein shall revert to the United States if the county of Del Norte, California, attempts to transfer any portion of such lands to any other entity or person or if Del Norte County permits any portion of such lands to be used for any purpose incompatible with the purposes of this subchapter. The Secretary shall include in any document of conveyance whereby such lands are transferred to the county of Del Norte appropriate provisions to implement this subsection.

(d) Withdrawal

Subject to valid existing rights, all public lands within the recreation area are hereby withdrawn from entry, sale, or other disposition

under the public land laws of the United States. This subsection shall not affect the exchange authorities of the Secretary.

§ 460bbb-6. Minerals

(a) Withdrawal

Subject to valid existing rights, Federal lands within the exterior boundary of the recreation area are hereby withdrawn from all forms of location, entry, and patent under the United States mining laws and from disposition under the mineral leasing laws, including all laws pertaining to geothermal leasing.

(b) Patents

Patents may not be issued under the mining laws of the United States after November 16, 1990, for locations and claims made before November 16, 1990, on Federal lands located within the exterior boundaries of the recreation area.

(c) Administration

Subject to valid existing rights except for extraction of common variety minerals such as stone, sand, and gravel for use in construction and maintenance of roads and other facilities within the recreation area and the excluded areas, all other mineral development on federally owned lands within the recreation area is prohibited.

(d) Regulations

The Secretary is authorized and directed to issue supplementary regulations to promote and protect the purposes for which the recreation area is designated.
