

Act of September 28, 1962 (Public law 87-714; 76 Stat. 653) [16 U.S.C. 460k et seq.].

(c) Cooperative agreements and technical assistance to protect seashore resources

The Secretary is authorized to enter into cooperative agreements with local, State, and Federal agencies and with educational institutions and nonprofit entities to coordinate research designed to ensure full protection of the natural and cultural resources of the seashore, consistent with the purposes for which the seashore was established, and other applicable law. The Secretary is also authorized to provide technical assistance to local, State, and Federal agencies and to educational institutions and non-profit entities in order to further such purposes. The Secretary shall submit a report every two years to the Congress on the results of the coordinated research program authorized by this section and plans to implement the recommendations arising from such research.
