The Secretary is authorized to make available to the Foundation, in the form of a grant, \$9,000,000 to be used for the reconstruction of the Center, subject to the provisions of this section. Such grant shall be made available in increments as needed for such purpose and only if the Foundation has agreed under terms and conditions satisfactory to the Secretary to provide, from non-Federal sources, sufficient contributions on a timely basis to complete the reconstruction of the Center.

(b) Loans to Foundation; amount; limitation; repayment; interest; service costs; term

(1) The Secretary may make loans to the Foundation to the extent needed to complete the reconstruction of the Center and to provide for noise mitigation measures, including those on adjacent public property, in an amount equal to twice the amount of non-Federal contributions received, and provided, by the Foundation for such reconstruction work. The total amount of such loans may not exceed \$8,000,000. Loans made under this subsection shall be repaid in full, with interest on any unpaid obligation at a rate determined by the Secretary of the Treasury, taking into consideration current market yields on outstanding marketing obligations of the United States with remaining periods to maturity comparable to the maturity of the loan, plus such additional charge, if any, as the Secretary may determine, for the purpose of covering other costs of servicing the loan. In determining the terms and conditions governing any loan, the Secretary shall fix a term of not more than five years from the date the loan agreement is executed.

(2)(A) The term of the loans made pursuant to paragraph (1) which are outstanding on the effective date of this paragraph may not exceed the 25-year period beginning on such date. The remaining obligation of such loans shall be paid in equal annual installments, commencing June 1, 1991, except that for the first 3 payments, the payment shall be \$215,000 each year. In addition, such payments (including the first 3 payments) may be reduced in any year by a credit not to exceed \$60,000 annually. If such agreement is not modified within the 120-day period, interest shall accrue from the effective date of this paragraph in accordance with paragraph (1).

(C) Notwithstanding any other provision of law, amounts paid to the Secretary pursuant to this paragraph may be retained until expended by the Secretary, in consultation with the Foundation, for the maintenance of structures, facilities, and equipment of the Park.

(D) The Secretary shall, within 120 days after the effective date of this paragraph, submit a payment schedule to the Foundation specifying the amount of each annual payment to be made by the Foundation pursuant to this paragraph.
