

dated August 1980, which is on file and available for public inspection in the office of the Chief, Forest Service, United States Department of Agriculture.

(b) Development of plan

As soon as practicable, after December 19, 1980, the Secretary of Agriculture shall develop a comprehensive management plan for the research site consistent with requirements of the National Forest Management Act of 1976 (Public Law 94-588) (16 U.S.C. 1604), which shall be incorporated into the initial Cibola National Forest land and resource management plan as provided for under that Act.

(c) Adjustment in boundaries

Following timely notice in writing to the Committee on Natural Resources of the House of Representatives and the Committee on Energy and Natural Resources of the Senate of his intention to do so, the Secretary may make minor adjustments in the boundaries of the research site to provide for more effective management or to encourage further research activity. For the purposes of this subsection, minor boundary adjustments shall not increase or decrease the amount of land within the research site by more than seven thousand acres.

(d) Consultation with other public interest groups

In developing the plan, the Secretary shall consult with the National Science Foundation, the New Mexico Institute of Mining and Technology, the New Mexico Academy of Science and appropriate conservation, wilderness, wildlife, industry, and other public interest groups.

(e) Objectives of plan

The plan shall prescribe specific research and management objectives necessary for the protection, management, and regulation of the research site as outlined in subsection (f) of this section.

(f) Management of site in accordance with the objectives

The research site shall be managed in accordance with the following objectives:

(1) The principal research facility shall be managed primarily for scientific research purposes. Dispersed recreation, grazing, and other uses which the Secretary determines to be compatible with scientific research may be permitted.

(2) The research site shall be managed to enhance scientific research objectives. Scientific research activities and associated research equipment and structures shall be permitted within the research site in accordance with the plan.

(3) Roads shall be limited to those necessary for scientific research activities and other reasonable activities as determined by the Secretary. Motor vehicle use shall be restricted to roads designated in the plan.

(4) The landing of small instrumented research rockets shall be permitted to continue in portions of the research site designated for such purposes in the plan.

AMENDMENTS

1994—Subsec. (c). Pub. L. 103-437 substituted “Natural Resources” for “Interior and Insular Affairs” after “Committee on”.

§ 543. Mono Basin National Forest Scenic Area; establishment

The area in the Mono Basin within and adjacent to the Inyo National Forest in the State of California, as generally depicted on a map entitled “Mono Basin National Forest Scenic Area” dated June 1983, and numbered 1983-3, is hereby designated as the Mono Basin National Forest Scenic Area (hereafter in sections 543 to 543h of this title referred to as the “Scenic Area”). Such map shall be on file and available for public inspection in the office of the Forest Supervisor, Inyo National Forest and in the office of the Chief of the Forest Service, Department of Agriculture. The Secretary of Agriculture (hereinafter in sections 543 to 543h of this title referred to as the “Secretary”) may make minor revisions in the boundary of the Scenic Area after publication of notice to that effect in the Federal Register and submission of notice thereof to the Committee on Natural Resources of the United States House of Representatives and the Committee on Energy and Natural Resources of the United States Senate. Such notice shall be published and submitted at least sixty days before the revision is made.

CODIFICATION

In subsec. (b), “section 200306(a)(2) of title 54” substituted for “section 7(a)(1) of the Land and Water Con-

ervation Fund Act of 1965 (78 Stat. 897; 16 U.S.C. 4601-4 through 4601-11) [sic]” on authority of Pub. L. 113-287, §6(e), Dec. 19, 2014, 128 Stat. 3272, which Act enacted Title 54, National Park Service and Related Programs.

(Pub. L. 98-425, title III, §303, Sept. 28, 1984, 98 Stat. 1633.)

§ 543c. Administration

(a) Scenic Area and other lands to be administered as part of Inyo National Forest

(1) Except as otherwise provided in sections 543 to 543h of this title, the Secretary, acting through the Chief of the Forest Service, shall administer the Scenic Area as a separate unit within the boundary of the Inyo National Forest in accordance with the laws, rules, and regulations applicable to the National Forest System. All Bureau of Land Management administered lands that fall within the boundaries of the Scenic Area are hereby added to the Inyo National Forest and shall be administered in accordance with the laws, rules, and regulations applicable to the National Forest System.

(2) In addition, the following parcels administered by the Bureau of Land Management are hereby added to the Inyo National Forest and shall be administered in accordance with the laws, rules, and regulations applicable to the National Forest System:

township 1 south; range 26 east; Mount Diablo Meridian:

east half of southwest quarter and south half of southeast quarter of section 10; and

township 1 north; range 26 east; Mount Diablo Meridian:

southwest quarter of northeast quarter and west half of southeast quarter of section 9;

southwest quarter of southwest quarter of section 15;

southwest quarter of northwest quarter and northwest quarter of southwest quarter of section 25;

north half of southeast quarter of section 26, west half of northwest quarter and northwest quarter of southwest quarter of section 27;

township 1 north; range 27 east; Mount Diablo Meridian:

east half of southeast quarter of section 34; southwest quarter of northwest quarter of section 35; and

west half of section 30 as intersected by Scenic Area Boundary.

(b) Water rights; protection of geologic, ecologic and cultural resources; recreational use of Scenic Area; related facilities and programs; scientific study and research; commercial timber harvesting

(1) In a manner consistent with the protection of the water rights of the State of California or any political subdivision thereof (including the city of Los Angeles) or of any person to the extent that such water rights have been granted or modified under the laws of the State of California, the Secretary shall manage the Scenic Area to protect its geologic, ecologic, and cultural resources. The Secretary shall provide for recreational use of the Scenic Area and shall provide recreational and interpretive facilities (including trails and campgrounds) for the use of the public which are compatible with the provisions of sections 543 to 543h of this title, and

§ 543b. Acquisition of lands

(a) Authority of Secretary; exceptions

The Secretary is authorized to acquire all lands and interests therein within the boundary of the Scenic Area by donation, exchange in accordance with sections 543 to 543h of this title or other provisions of law, or purchase with donated or appropriated funds, except that—

(1) any lands or interests therein within the boundary of the Scenic Area which are owned by the State of California or any political subdivision thereof (including the city of Los Angeles) may be acquired only by donation or exchange; and

(2) lands or interests therein within the boundary of the Scenic Area which are not owned by the State of California or any political subdivision thereof (including the city of Los Angeles) may be acquired only with the consent of the owner thereof unless the Secretary determines, after written notice to the owner and after opportunity for comment, that the property is being developed, or proposed to be developed, in a manner which is detrimental to the integrity of the Scenic Area or which is otherwise incompatible with the purposes of sections 543 to 543h of this title.

(b) Guidelines; detrimental or incompatible use

(1) Not later than six months after September 28, 1984, the Secretary shall publish specific guidelines under which determinations shall be made under paragraph (2) of subsection (a) of this section. No use which existed prior to June 1, 1984, within the area included in the Scenic Area shall be treated under such guidelines as a detrimental or incompatible use within the meaning of such paragraph (2).

(2) For purposes of subsection (a)(2) of this section, any development or proposed development of private property within the boundary of the Scenic Area that is significantly different from, or a significant expansion of, development existing as of June 1, 1984, shall be considered by the Secretary as detrimental to the integrity of the Scenic Area. No reconstruction or expansion of a private or commercial building, including—

(A) reconstruction of an existing building,

(B) construction of attached structural additions, not to exceed 100 per centum of the square footage of the original building, and

(C) construction of reasonable support development such as roads, parking, water and sewage systems shall be treated as detrimental to the integrity of the Scenic Area or as an incompatible development within the meaning of paragraph (2) of subsection (a) of this section.

(c) Preparation of environmental assessments

Notwithstanding any other provision of law, the Secretary shall only be required to prepare an environmental assessment of any exchange of mineral or geothermal interest authorized by sections 543 to 543h of this title.
