

the state has given consideration to any applicable interstate energy plan or program.

Subsec. (g). Pub. L. 94-370, §5(4), inserted requirement that except for pre-Oct. 1, 1978 amendments of management programs, for purposes of complying with section 1454(b)(7), (8), and (9) of this title, no grant shall be made under this section to any coastal state after the date of an amendment until approved by Secretary.

1975—Subsec. (b). Pub. L. 93-612 substituted provisos establishing maximum amount of annual grant for fiscal years 1975, 1976, and 1977, establishing a minimum of 1 per centum of the total appropriated amount, and providing for waiver of the 1 per centum minimum upon request of the coastal State, for proviso limiting an annual administrative grant to a maximum of 10 per centum and a minimum of 1 per centum of the total appropriated amount.

EFFECTIVE DATE OF 1980 AMENDMENT

Pub. L. 96-464, §5(b), Oct. 17, 1980, 94 Stat. 2062, provided that: "The amendments made by subsection (a)(1) and (2) of this section [amending this section] apply with respect to grants made after September 30, 1980, under section 306 of the Coastal Zone Management Act of 1972 [this section] and, within two hundred and seventy days after such date, the Secretary of Commerce shall issue regulations relating to the administration of subsection (a) of such section 306 (as so amended by such subsection (a)(1))."

ADDITIONAL PROGRAM REQUIREMENTS

Pub. L. 101-508, title VI, §6206(b), Nov. 5, 1990, 104 Stat. 1388-306, provided that: "Each State which submits a management program for approval under section 306 of the Coastal Zone Management Act of 1972 [16 U.S.C. 1455], as amended by this subtitle (including a State which submitted a program before the date of enactment of this Act [Nov. 5, 1990]), shall demonstrate to the Secretary—

- "(1) that the program complies with section 306(d)(14) and (15) of that Act, by not later than 3 years after the date of the enactment of this Act; and
- "(2) that the program complies with section 306(d)(16) of that Act, by not later than 30 months after the date of publication of final guidance under section 6217(g) of this Act [16 U.S.C. 1455b(g)]."

§ 1455a. Coastal resource improvement program

(a) Definitions

For purposes of this section—

(1) The term "eligible coastal state" means a coastal state that for any fiscal year for which a grant is applied for under this section—

(A) has a management program approved under section 1455 of this title; and

(B) in the judgment of the Secretary, is making satisfactory progress in activities designed to result in significant improvement in achieving the coastal management objectives specified in section 1452(2)(A) through (K) of this title.

(2) The term "urban waterfront and port" means any developed area that is densely populated and is being used for, or has been used for, urban residential recreational, commercial, shipping or industrial purposes.

(b) Resource management improvement grants

The Secretary may make grants to any eligible coastal state to assist that state in meeting one or more of the following objectives:

(1) The preservation or restoration of specific areas of the state that (A) are designated under the management program procedures re-

quired by section 1455(d)(9) of this title because of their conservation recreational, ecological, or esthetic values, or (B) contain one or more coastal resources of national significance, or for the purpose of restoring and enhancing shellfish production by the purchase and distribution of clutch material on publicly owned reef tracts.

(2) The redevelopment of deteriorating and underutilized urban waterfronts and ports that are designated in the state's management program pursuant to section 1455(d)(2)(C) of this title as areas of particular concern.

(3) The provision of access to public beaches and other public coastal areas and to coastal waters in accordance with the planning process required under section 1455(d)(2)(G) of this title.

(4) The development of a coordinated process among State agencies to regulate and issue permits for aquaculture facilities in the coastal zone.

(c) Uses, terms and conditions of grants

(1) Each grant made by the Secretary under this section shall be subject to such terms and conditions as may be appropriate to ensure that the grant is used for purposes consistent with this section.

(2) Grants made under this section may be used for—

(A) the acquisition of fee simple and other interests in land;

(B) low-cost construction projects determined by the Secretary to be consistent with the purposes of this section, including but not limited to, paths, walkways, fences, parks, and the rehabilitation of historic buildings and structures; except that not more than 50 per centum of any grant made under this section may be used for such construction projects;

(C) in the case of grants made for objectives described in subsection (b)(2) of this section—

(i) the rehabilitation or acquisition of piers to provide increased public use, including compatible commercial activity,

(ii) the establishment of shoreline stabilization measures including the installation or rehabilitation of bulkheads for the purpose of public safety or increasing public access and use, and

(iii) the removal or replacement of pilings where such action will provide increased recreational use of urban waterfront areas,

but activities provided for under this paragraph shall not be treated as construction projects subject to the limitations in paragraph (B);

(D) engineering designs, specifications, and other appropriate reports; and

(E) educational, interpretive, and management costs and such other related costs as the Secretary determines to be consistent with the purposes of this section.

(d) State matching contributions; ratio; maximum amount of grants

(1) The Secretary may make grants to any coastal state for the purpose of carrying out the project or purpose for which such grants are awarded, if the state matches any such grant ac-

ording to the following ratios of Federal to state contributions for the applicable fiscal year: 4 to 1 for fiscal year 1986; 2.3 to 1 for fiscal year 1987; 1.5 to 1 for fiscal year 1988; and 1 to 1 for each fiscal year after fiscal year 1988.

(2) Grants provided under this section may be used to pay a coastal state's share of costs required under any other Federal program that is consistent with the purposes of this section.

(3) The total amount of grants made under this section to any eligible coastal state for any fiscal year may not exceed an amount equal to 10 per centum of the total amount appropriated to carry out this section for such fiscal year.

(e) Allocation of grants to local governments and other agencies

With the approval of the Secretary, an eligible coastal state may allocate to a local government, an areawide agency designated under section 3334 of title 42, a regional agency, or an interstate agency, a portion of any grant made under this section for the purpose of carrying out this section; except that such an allocation shall not relieve that state of the responsibility for ensuring that any funds so allocated are applied in furtherance of the state's approved management program.

(f) Other technical and financial assistance

In addition to providing grants under this section, the Secretary shall assist eligible coastal states and their local governments in identifying and obtaining other sources of available Federal technical and financial assistance regarding the objectives of this section.

Pub. L. 101-508, §6207, inserted before period at end “, or for the purpose of restoring and enhancing shellfish production by the purchase and distribution of clutch material on publicly owned reef tracts”.

1986—Subsec. (d)(1). Pub. L. 99-272 amended par. (1) generally. Prior to amendment, par. (1) read as follows:

“No grant made under this section may exceed an amount equal to 80 per centum of the cost of carrying out the purpose or project for which it was awarded.”

§ 1455b. Protecting coastal waters

(a) In general

(1) Program development

Not later than 30 months after the date of the publication of final guidance under subsection (g) of this section, each State for which a management program has been approved pursuant to section 306 of the Coastal Zone Management Act of 1972 [16 U.S.C. 1455] shall prepare and submit to the Secretary and the Administrator a Coastal Nonpoint Pollution Control Program for approval pursuant to this section. The purpose of the program shall be to develop and implement management measures for nonpoint source pollution to restore and protect coastal waters, working in close conjunction with other State and local authorities.

(2) Program coordination

A State program under this section shall be coordinated closely with State and local water quality plans and programs developed pursuant to sections 1288, 1313, 1329, and 1330 of title 33 and with State plans developed pursuant to the Coastal Zone Management Act of 1972, as amended by this Act [16 U.S.C. 1451 et seq.]. The program shall serve as an update and expansion of the State nonpoint source management program developed under section 1329 of title 33, as the program under that section relates to land and water uses affecting coastal waters.

(b) Program contents

Each State program under this section shall provide for the implementation, at a minimum, of management measures in conformity with the guidance published under subsection (g) of this section, to protect coastal waters generally, and shall also contain the following:

(1) Identifying land uses

The identification of, and a continuing process for identifying, land uses which, individually or cumulatively, may cause or contribute significantly to a degradation of—

(A) those coastal waters where there is a failure to attain or maintain applicable water quality standards or protect designated uses, as determined by the State pursuant to its water quality planning processes; or

(B) those coastal waters that are threatened by reasonably foreseeable increases in pollution loadings from new or expanding sources.

(2) Identifying critical coastal areas

The identification of, and a continuing process for identifying, critical coastal areas adjacent to coastal waters referred to in paragraph (1)(A) and (B), within which any new land uses or substantial expansion of existing land uses shall be subject to management measures in addition to those provided for in subsection (g) of this section.
