The Secretary of Agriculture is authorized to undertake emergency measures, including the purchase of floodplain easements, for runoff retardation and soil-erosion prevention, in cooperation with landowners and land users, as the Secretary deems necessary to safeguard lives and property from floods, drought, and the products of erosion on any watershed whenever fire, flood, or any other natural occurrence is causing or has caused a sudden impairment of that watershed.

**(b) Floodplain easements**

**(1) Modification and termination**

The Secretary may modify or terminate a floodplain easement administered by the Secretary under this section if—

In the case of a modification under paragraph (1)—

(i) as a condition of the modification, the current owner shall enter into a compensatory arrangement (as determined to be appropriate by the Secretary) to incur the costs of modification; and

(ii) the Secretary shall ensure that—

(I) the modification will not adversely affect the floodplain functions and values for which the easement was acquired;

(II) any adverse impacts will be mitigated by enrollment and restoration of other land that provides greater floodplain functions and values at no additional cost to the Federal Government; and

(III) the modification will result in equal or greater environmental and economic values to the United States.

(i) would impair or endanger the natural resources on the land; and

(ii) would materially affect future use of the land; and

(B) would restore forest health and forest-related resources on the land.

**(2) Natural disaster**

The term “natural disaster” includes wildfires, hurricanes or excessive winds, drought, ice storms or blizzards, floods, or other resource-impacting events, as determined by the Secretary.

**(3) Nonindustrial private forest land**

(A) has existing tree cover (or had tree cover immediately before the natural disaster and is suitable for growing trees); and

(B) is owned by any nonindustrial private individual, group, association, corporation, or other private legal entity, that has definitive decision-making authority over the land.

**(4) Secretary**

The term “Secretary” means the Secretary of Agriculture.

**(b) Availability of assistance**

The Secretary may make payments to an owner of nonindustrial private forest land who carries out emergency measures to restore the land after the land is damaged by a natural disaster.

**(c) Eligibility**

To be eligible to receive a payment under subsection (b), an owner must demonstrate to the satisfaction of the Secretary that the nonindustrial private forest land on which the emergency measures are carried out had tree cover immediately before the natural disaster.

**(d) Cost share requirement**

Payments made under subsection (b) shall not exceed 75 percent of the total cost of the emergency measures carried out by an owner of nonindustrial private forest land.

**(e) Authorization of appropriations**

There are authorized to be appropriated to the Secretary such funds as may be necessary to carry out this section. Amounts so appropriated shall remain available until expended.
